Buchanan, 2022-10-27 In this book John Buchanan takes us on a journey through the early death of a parent the ups and downs of addiction the extraordinary revelations of psychedelic experiences and the rewards of a sober and meaningful life Reflecting on these experiences the author identifies five pivotal events that drove him to seek a deeper understanding of the significance of extraordinary experiences the nature of mind and the universe the meaning of life and most generally to ask What is Reality

Drawing on his wide ranging studies and explorations Buchanan discusses the ideas that most influenced his search and led him to conclude that transpersonal psychology and process philosophy especially as developed by Stanislav Grof and Alfred North Whitehead offer the most satisfying answers He presents in some detail the essence of Grof's and Whitehead's thought as it pertains to these basic questions about life and reality so that readers can appreciate these ideas for themselves Buchanan argues that taken together process thought and transpersonal theory offer the kind of enspirited worldview capable of providing both the necessary inspiration and the intellectual understanding for confronting the great challenges facing our world

My Name is Bill Susan Cheever, 2004 In this thoroughly researched and groundbreaking biography of Bill Wilson cofounder of Alcoholics Anonymous acclaimed author Susan Cheever creates a remarkably human portrait of a man whose life and work both influenced and saved the lives of millions of people Drawn from personal letters and diaries records in a variety of archives and hundreds of interviews this definitive biography is the first fully documented account of Bill Wilson's life story

BOOK JACKET The Other Half Jacqueline Wiseman, 2018-04-20 This current study has emerged from two decades of the author's investigations in related areas alcoholism and domestic relations Its canvas is broadly comparative drawing on interviews and data gathered in the United States and Finland The domestic drama of *The Other Half* is played out both in the private scene of the home and the more public scene of the workplace and against these two differing national backgrounds Despite the many expected and perceived cultural differences between the countries the effects of alcoholism on the family are shown to be the same Dr Wiseman's study offers theoretical insights gleaned from its perspective on alcoholism as an interactive phenomenon to which the concepts of G H Mead and Blumer can be applied to illuminate the carefully presented data and go beyond them New terrain in studies of alcoholism is thereby explored including such themes as the social construction by the subjects of their husbands drinking their marriage and their self images the strategy of coping mechanisms and the effects of the crisis of alcoholism on gender sex roles and power differentials *The Other Half* complements Dr Wiseman's prize winning work on the treatment of Skid Row alcoholics Stations of the Lost while involving issues of greater complexity on both the methodological and theoretical plane

Vessels of Rage James Graham, Based on over 20 years prodigious research Graham takes the reader on a compelling tour of human history links alcohol addiction with the destructive behavior of a range of public figures including tyrants murderers politicians writers Drawing on the case of famous characters such as Alexander the Great Joseph Stalin Joe McCarthy Ernest Hemingway this book presents a convincing assessment of how this disorder can adversely affect the behavior of powerful individuals with devastating consequences

Transactional Analysis Journal, 1987 *Who Are You: The Life Of Pete Townshend* Mark Wilkerson, 2009-10-28 An accurate detailed and fascinating account of the life of a man whose story should have been told in this much detail long ago Author Mark Wilkerson interviewed Townshend himself and several of Townshend's friends and associates for this biography

The Quest for the Inner Human Steven H. Propp, 2013-12-03

Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that weve all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldnt normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves **Focus On: 100 Most Popular English Male Comedians** Wikipedia contributors, [The New York Times Book Review](#) ,1988
