Hawley,Andrew T. Williams,2000-10-06 Traces the rise of public and private pension funds which now control as much as 50 percent of the equity in American corporations and argues that shareholders in those funds could use their power to make corporations more responsive to social needs Disposable Sarah Jones,2025-02-18 In a compelling blend of personal narrative and in depth reporting New York magazine senior writer Sarah Jones exposes the harsh reality of America s racial and income inequality and the devastating impact of the pandemic on our nation s most vulnerable people In the tradition of Matthew Desmond s Evicted and Andrea Elliot s Invisible Child

Disposable is a poignant exploration of America's underclass left vulnerable by systemic racism and capitalism. Here Sarah Jones delves into the lives of the essential workers, seniors, and people with disabilities who were disproportionately affected by COVID-19, not due to their age or profession but because of the systemic inequality and poverty that left them exposed. The pandemic served as a stark revelation of the true state of America, a country where the dream of prosperity is a distant mirage for millions. Jones argues that the pandemic didn't create these dynamics but rather revealed the existing social mobility issues and wealth gap that have long plagued the nation. Behind the staggering death toll are stories of lives lost, injustices suffered, and institutions that failed to protect their people. Jones brings these stories to the forefront, transforming the abstract concept of the pandemic into a deeply personal and political phenomenon. She argues that America has abandoned a sacrificial underclass of millions but insists that another future is possible. By addressing the pervasive issues of racial justice and public policy, Jones calls for a future where no one is seen as disposable again. *Destination Laughter*

Donna Petty, 2014-01-22 Through a collection of humorous and inspirational short stories, Christian humorist Donna Petty reminds us that on this journey we call life, we may experience little bumps in the road, detours, wrong turns, and unexpected delays. Sometimes our journey will be more light-hearted and whimsical, with winding country roads filled with exciting roadside attractions, majestic sunrises, and glorious sunsets. But everything we encounter as we make the journey can bring us a little laughter and a big message from God. Where are you on this journey? Are you ready for a little laughter and a big message from God? Fasten your seat belt and enjoy the ride. As you travel through these stories, you will arrive at Destination Laughter, and you will not have to ask, "are we there yet?" **Bonding the Rizzo's Family Vacation** Alex Lizzi Jr., 2007-11-01

They travel by way of Cracker Barrel to Virginia Beach, where they cross paths with two desperate rednecks that have just stolen a quarter of a million dollars of mob money. A stripper and her biker boyfriend try to beat the rednecks to the mob money as the Rizzo's try their best to bond. *Bringing Lesbian and Gay Rights Into the Mainstream* Steve Endean, 2006

Bringing Lesbian and Gay Rights Into the Mainstream Twenty Years of Progress is the spirited and provocative memoir that blows the lid off the complex machinations of state and national politics. LGBT activist Steve Endean's autobiographical chronicle, completed shortly before his death in 1993, tells insider stories that are sometimes rousing, other times infuriating, recounting the fight for lesbian and gay rights from the trenches of the Minnesota state capital to the Washington Beltway. Readers get a clear view of the political activism of building grassroots support, systems fundraising efforts, lobbying to rally support for bills, and the election/re-election of sympathetic political representatives. **Decisions and Orders of the**
