Creative Bible Lessons in Genesis Hoon Kim,2009-05-26 Creative Bible Lessons in Genesis follows the work previously

done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived at by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientialisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform *Wild Truth Bible Lessons-Dares from Jesus* Jeannie Oestreich, 2010-05-11 Weekly studies to reinforce what junior highs are learning from their Wild Truth Journal These Bible lessons send students straight to the words of Jesus to discover the truth then dare them to live that truth today Includes games activities sketches handouts and reproducible worksheets **Teaching Youth** Richard Barnes, Allen Jackson, 2000-05 Creative Bible Lessons in Revelation Randy Southern, 2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers You try to convince yourself that the apostle John is just another New Testament writer kindly gentle loving You know normal But he's just so weird Most of the time you have no idea what John is talking about in his revelation When you must interact with his wild otherworldly book you escape as soon as you can to familiar saner Bible texts Like Matthew's Gospel or one of Paul's letters after all they straight up tell you what Jesus did and what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn't so much a crazy guy as he was a visionary inspirational and worshipful guy And you don't have to subscribe to any pre or post eschatology theory in order to learn all sorts of good stuff from the apostle So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos they will however acquaint your youth group with the mysterious nature of Revelation then demonstrate how these apocalyptic principles actually provide practical application for us today Here's what's inside every session Detailed

overviews for clear convenient prepping Intriguing activities and games with a point that introduce that session s topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises that translate John s visions into practical attainable actions and attitudes for students daily lives Plus you ll get these bonuses Let s Get Theological lite intros to the various interpretations of the reactions to the events Revelation predicts More More More helpful supplements to activities and discussions Worthy of Worship top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God Questions about the future lurk in everyone s minds especially in the minds of teenagers Now is your chance to explore the book of Revelation with your students to glimpse at the never ending worship to come to grab hold of God s promises and his mercy and to bring some ease to troubled hearts *International Bible Lesson Commentary-NIV* Dan Lioy,2005-03 Whether you need a trustworthy guide for your class to follow or are looking for additional commentary on the International Sunday School Lessons ISSL Outline Series the International Bible Lesson Commentary offers time tested in depth easy to follow outlines This comprehensive resource has everything you need for a full year of lessons 52 lessons that follow the ISSL Scripture Sequence Complete texts in NIV Discussion topics for adults youth and children Introductions discussion questions and relevant life applications for each week of the year In depth Bible based commentary that gets to the heart of each passage Insights to help you discover new meaning from each text This verse by verse commentary has brought careful evangelical scholarship to Bible teachers for over 130 years Get ready to bring new understanding and life changing relevance to your lessons **NIV® Standard Lesson Commentary® 2021-2022** Standard Publishing,2021-06-01 As the world s most popular annual Bible commentary for more than two decades Standard Lesson Commentary SLC provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions Key features include Verse by verse explanation of the Bible text Detailed lesson context Pronunciation guide for difficult words Printed Scripture Discussion starters A review quiz for each quarter Available in the King James Version KJV and New International Version NIV Bible translations the SLC is based on the popular Uniform Series This series developed by scholars from numerous church fellowships outlines an in depth study of the Bible over a six year period The four main themes of the 2021 2022 study are Celebrating God Exodus 2 Samuel Psalms Mark Acts Revelation Justice Law History Pentateuch 2 Samuel Ezra Job Isaiah Nahum God Frees and Redeems Deuteronomy Ezra Matthew John Romans Galatians Partners in a New Creation Isaiah John Revelation The SLC is perfect as the primary resource for an adult Sunday School class for personal study or as a supplemental resource for any curriculum that follows the ISSL Uniform Series Nearly two dozen ministers teachers and Christian education specialists contribute their expertise to SLC The Deluxe Edition features online and download access for the Standard Lesson eCommentary through FaithLife s Logos Bible Software This includes the full text of the Standard Lesson Commentary both KJV and NIV editions as well as PowerPoint presentations Full text of the KJV Bible Full color visual resources Student activity reproducible pages Quarterly
