Homilies Through the Liturgical Year** Pope Benedict

XVI,2025-03-07 Pope Benedict XVI was known for his brilliant mind but he also had a heart in love with the Lord In this careful selection from his papal homilies readers can not only learn from his encyclopedic knowledge of the Christian tradition but grow in their own love for God as they journey with Benedict through the seasons and feasts of the liturgical year Lord I Love You Volume 1 includes the holiest days of Lent and Easter as well as other important solemnities such as Trinity Sunday and Corpus Christi making it an excellent choice for spiritual reading and a great Lenten gift idea for those who appreciated the late pope s message of the centrality of Christ and the reliability of the Catholic tradition Pope Benedict was not a charismatic preacher in the mold of his predecessor John Paul II but the texts themselves are gems of Christian exhortation and reflection that are best appreciated on one s knees in a chapel or held in one s hands in a quiet place in one s home that is in a book like this and not scrolling through a website For scholars and students of the late pope the collection also provides a helpful distillation of his main themes and principal concerns into short easily digestible pieces The editor Fr Pietro Rossotti uses the official Vatican translation with only minor spelling modifications and added footnotes with bibliographical references whenever possible **The Theology of Christian Perfection** Antonio Royo Marin,2012-05-16

The best manual of spiritual theology which has appeared to date the most ordered and complete a true summa of spirituality

This is a work of extraordinary informative value and yet possessing a notable doctrinal solidity This encomium of M M Philipon laudatory as it does less than justice to this modern classic now at last appearing in English in a smooth readable translation and adaptation by Fr Aumann For in reality this is three books in one volume First of all this is a textbook a manual whose lucid and orderly presentation of the basic principles of the spiritual life of the supernatural organism and of its progressive development recommends it unreservedly for seminarians and other serious students of spiritual theology As Garrigou Lagrange points out the author's order has permitted him to treat all the important questions relative to perfection and to show clearly the basic unity of the Christian life Thorough and solid as it is however firmly based on the chief masters of the spiritual life St Thomas St John of the Cross and St Teresa of Avila this truly theological synthesis is set forth in clear and accessible form as its widespread popularity in Spain four editions in six years attests But *The Theology of Christian Perfection* is perhaps even more valuable as a work of spiritual formation It is an eminently practical manual of sound advice counsel and direction with respect to the increasingly fruitful use of the means negative and positive for advancing in perfection As such it will be immediately valuable for spiritual directors an indispensable aid for self formation and a work of precious merit for all souls desirous of spiritual advancement
