from both behind and in front of the camera in British and American television studios Television's Strangest Moments is the ultimate tome of TV trivia Why did the quintessential English sleuth The Saint drive a Swedish car What happened when Michael Aspel met Nora Batty on the set of the 1960s drama documentary The War Game Why is the Halloween chiller Ghostwatch still unofficially banned by the BBC From live TV suicide to Ricky Martin's disastrous candid camera style episode involving a young female fan and several cans of dog food Television's Strangest Moments will keep you hooked when there's nothing worth watching on the box *From Ikaria to the Stars* Peter Green, 2013-09-17 I hadn't till I really started digging gauged the fierce intensity of the need for myth in the human psyche of any age or sensed the variety of motives dictating that need writes Peter Green in the introduction to this wide ranging collection of essays on classical mythology and the mythic experience Using the need for myth as the starting point for exploring a number of topics in Greek mythology and history Green advances new ideas about why the human urge to make myths persists across the millennia and why the borderland between mythology and history can sometimes be hard to map Green looks at both specific problems in classical mythology and larger theoretical issues His explorations underscore how mythic expression opens a door into non rational and quasi rational modes of thought in which it becomes possible to rewrite painful truths and unacceptable history which is Green argues a dangerous enterprise His study of the intersections between classical mythology and Greek history ultimately drives home a larger point the degree of mythification and deception of oneself no less than of others of which the human mind is capable **Boating**, 1995-01 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1903 **Billboard**, 1999-11-13 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
