## 2 Peter And Jude:

**The Letters of 2 Peter and Jude** Peter H. Davids, 2006-09-19 Filling a notable gap in scholarship on 2 Peter and Jude Peter Davids artfully unpacks these two neglected but fascinating epistles that deal with the confrontation between the Greco Roman world and the burgeoning first century Jesus communities Davids firmly grasps the overall structure of these oft maligned epistles and presents a strong case for 2 Peter and Jude as coherent consistent documents Marked by exceptional exegesis and sharp independent judgments Davids s work both connects with the latest scholarship and transforms scholarly insights into helpful conclusions benefiting Christian believers *Jude and 2 Peter (Baker Exegetical Commentary on the New Testament)* Gene Green, 2008-11-01 In this new addition to the award winning BECNT series respected New Testament scholar and biblical interpretation expert Gene Green offers a substantive yet highly accessible commentary on the books of Jude and 2 Peter With extensive research and thoughtful chapter by chapter exegesis Green leads readers through the sociological historical and theological aspects of these New Testament books As with all BECNT volumes Jude and 2 Peter features the author s detailed interaction with the Greek text This commentary admirably achieves the dual aims of the series academic sophistication and pastoral sensitivity and accessibility making it a useful tool for pastors church leaders students and teachers The user friendly design includes shaded chapter introductions summarizing the key themes of each thought unit *1 & 2 Peter and Jude* Carolyn Nystrom, 2012-09-27 Carolyn Nystrom leads us to discover what it takes to be mature in Christ and to recognize God s direction and comfort when we travel dark roads [Sacra Pagina: 1 Peter, Jude and 2 Peter](#) Donald P. Senior, Daniel J. Harrington, 2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church s golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter s name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to

early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press

work of theologians both contemporary and ancient The combination of disciplines leads to new insights on such issues as judgment community living and the relationship between faith and ethics      Reading 1 Peter, Jude, and 2 Peter Earl Richard,2000 This volume is dedicated to the study of three late little known biblical works that historically have been relegated to the lesser works of the New Testament Reading 1 Peter Jude and 2 Peter underscores the light that these letters shed upon one another and focuses on the snapshots they provide of early Christian communities as they encountered the social and religious environment in which they were situated Careful reading of 1 Peter reveals the complex world of the post apostolic period Jude and 2 Peter provide a sober look at the early community s evolution in doctrinal and moral terms      **I & II Peter and Jude** Lewis R. Donelson,2010-01-01 The letters of First and Second Peter and Jude are often neglected but they have much wisdom to offer With this volume Lewis Donelson integrates historical critical concerns with theological issues illustrating how many of the matters facing early Christian communities and how they chose to deal with them remain relevant to contemporary readers From publisher s description      *1 & 2 Peter and Jude* Livingstone,2021-03-02 The Life Application Bible Commentary series is the only commentary to offer sermon and lesson applications alongside stirring commentary Each volume in the series provides in depth explanation background and application for every verse in the text Perfect for sermon preparation and lesson planning this one of a kind reference provides excellent quotes and a bibliography for additional commentary Additional features include Charts diagrams and maps on the same page as their related verses Quotes from various versions such as the NIV NRSV and NLT Key information graphically highlighted      *The Message of 2 Peter & Jude* Dick Lucas,Christopher Green,2021-06-08 Today as in the first century Christians must guard against false guides leading believers astray and causing divisions within the church Responding to this ever present danger 2 Peter and Jude equip readers to discern truth from illusion and exhort them to loyalty harmony and spiritual maturity This revised BST volume offers passage by passage exposition of the letters of 2 Peter and Jude      Let's Study 2 Peter and Jude Mark Johnston,2005 The letters of 2 Peter and Jude share several common themes and were designed to strengthen the faith of Christians who were being unsettled by false prophets and teachers within the apostolic churches Both Peter and Jude show that the problem of false doctrine is nothing new among the people of God By using examples and warnings from the Old Testament Scriptures they encourage their fellow believers to remain faithful to the gospel to grow in the grace and knowledge of the Lord Jesus and to live in the light of Christ s second coming Mark Johnston s contemporary commentary shows that these themes are as relevant to Christians today as they were in the first century As with other volumes in this series the value of the exposition is enhanced by the Group Study Guide which follows The whole unfolding Let s Study series is a must for every Christian home that is serious about getting to know the Word Covenanter Witness      **2 Peter** Harry Uprichard,2022-08-03 Peter s second letter is about growing in Christ amid false teaching so that Christ s character will be reflected in our lives Peter begins by explaining true knowledge of God It is a saving growing fruitful assured and

remembered knowledge The source of this true knowledge of God is Scripture Scripture comes from God Men spoke from God carried along by the Holy Spirit Peter next contrasts false knowledge of God with true knowledge of God There are false teachers among the churches Peter addresses whose precursors are the false prophets of the Old Testament Arrogance sensuality and emptiness characterize these false teachers They not only deny the truth but also live immoral lives False knowledge of God leads nowhere but to God s condemnation and to eternal death Peter finally writes of practical knowledge of God He recalls the predictions of the prophets and the commandment of their Lord and Saviour through the apostles Practical knowledge of God produces godly living assures that God fulfils all his promises in Scripture and confirms growth in grace and knowledge of our Lord Jesus Christ All of this is possible through Scripture Let s together see how Peter explains in detail how to grow in Christ amid false teaching

**2 Peter, Jude** Jerome Neyrey,1993-10 Jerome H Neyrey gives us a thoroughly up to date and comprehensive study of two of the most obscure books of the New Testament Written after the death of Jesus and his Apostles the Epistles of 2 Peter and Jude offer a glimpse into the turbulent life of the early Christian communities Neyrey s fascinating study not only provides an entirely new translation of the two texts but also stirring commentary that takes the reader inside groups located at the very edges of Christianity in contact with the wider Roman world and Greek culture of the day Neyrey builds upon the excellent scholarship of the past and introduces into the discussion factors that were rarely understood or considered in earlier times the social political and economic setting in which the New Testament Epistles were written and read the church as a community within the larger context of the vast Roman Empire of the late first and early second centuries And while these letters are often considered peripheral or marginal to the New Testament they nevertheless reveal and interpret one of the murkier eras in the life of the church They reflect the hard times and difficult circumstances of the faithful beset by treacherous comrades within and malevolent enemies without But all the while these documents express the constancy and commitment of those who found salvation and the renewal of life in the one Lord Jesus Christ
