Why I Believe Jesus Is Coming Back Soon Eric M Hill, Generation after generation since the Lord's ascension to heaven believed they could or would be the generation to see the Lord return Time proved them wrong What mistake did they make interpreting the signs of the end times And why does the author believe this generation is uniquely qualified to witness the glorious return of Christ Many modern watchmen have accurately noted the greatest uniquely fulfilled sign of this generation to be the return of the Jews to the land of Israel and its miraculous re-establishment as a nation They've also noted the unique fulfillment of the Jews gaining control of Jerusalem These two uniquely fulfilled prophecies are the greatest signs of the soon return of the Lord But they are not the only signs There are a host of other signs that are jumping up and down and waving their arms to be noticed Eric M Hill identifies and insightfully provides original insight into what he calls macro and micro prophetic trends and events These are small and large trends and events that either fulfill prophecy or help create the environment for it to be fulfilled His method of interpreting the signs of the times allows him to distinguish between what he calls prophetic and non prophetic trends and events After reading Why I Believe Jesus Is Coming Back Soon How I Interpret the Signs of the Times you will understand why Eric M Hill is convinced Jesus is coming back soon You will also be equipped to identify and understand prophetic trends and events that point to the second coming of our great God *Florian's*
