Back To Berestechko:

Back to Berestechko James M. Quigley,1994 *Early Ukraine* Alexander Basilevsky,2016-04-11 As the Dark Ages enveloped Europe a civilization was born on the banks of the Dnieper River Rus whose capital at Kiev surpassed in grandeur most cities of Europe was home to the Ukrainian people whose princes made war on Constantinople and established the city states of what would become Russia The cities of Rus were destroyed by the Mongols their remains falling to the Polish Lithuanian kingdom With the steppe restored to wilderness the kraina borderlands of the hardy frontiersmen known as Cossacks who in the 17th century destroyed powerful Polish Lithuanian and Muscovite armies gained Ukrainian independence and established a unique social order Drawing on English Ukrainian and French sources this book chronicles the military and social origins of Ukraine and describes the differences between Ukraine and its neighbors The author refutes the claim that Ukraine and Russia were once united in a common political system **With Fire and Sword** Henryk Sienkiewicz,1890 *Poland* Patrice M. Dabrowski,2014-10-01 Since its beginnings Poland has been a moving target geographically as well as demographically and the very definition of who is a Pole has been in flux In the late medieval and early modern periods the country grew to be the largest in continental Europe only to be later wiped off the map for more than a century The Polish phoenix that rose out of the ashes of World War I was obliterated by the joint Nazi Soviet occupation that began with World War II The postwar entity known as Poland was shaped and controlled by the Soviet Union Yet even under these constraints Poles persisted in their desire to wrest from their oppressors a modicum of national dignity and ultimately managed to achieve much more than that Poland is a sweeping account designed to amplify major figures moments milestones and turning points in Polish history These include important battles and illustrious individuals alliances forged by marriages and choices of religious denomination and meditations on the likes of the Polish battle slogan for our freedom and yours that resounded during the Polish fight for independence in the long 19th century and echoed in the Solidarity period of the late 20th century The experience of oppression helped Poles to endure and surmount various challenges in the 20th century and Poland s demonstration of strength was a model for other peoples seeking to extract themselves from foreign yoke Patrice Dabrowski s work situates Poland and the Poles within a broader European framework that locates this multiethnic and multid denominational region squarely between East and West This illuminating chronicle will appeal to general readers and will be of special interest to those of Polish descent who will appreciate Poland s longstanding republican experiment **Muscovy and the Ukraine** Ben Zion Wacholder,Clarence Bickford O'Brien,1963 **With Fire and Sword** Henryk Sienkiewicz,2020-04-09 With Fire and Sword is a historical novel set in the 17th century in the Polish Lithuanian Commonwealth during the Khmelnytsky Uprising It gained enormous popularity in Poland and by the turn of the 20th century had become one of the most popular Polish books ever Despite some deviations this book s historical framework is genuine and the fictional story is woven into real events Many characters are historical figures The author Henryk

Sienkiewicz researched memoirs and chronicles of the Polish nobility for details on life in 17th century Poland. The author's writing style intertwines epic plots and heroic scenes with historical accuracy. His vivid language makes this book one of the most popular books about that particular place and era of the Polish history.

Muscovy and the Ukraine : from the Pereiaslavl Agreement to the Truce of Andrusovo, 1654-1667 Carl Bickford O'Brien, 1980

Muscovy and the Ukraine Carl Bickford O'Brien, Clarence Bickford O'Brien, 1963

History of Ukraine-Rus': book 1. The Cossack age, 1650-1653 Михайло Грушевський, 1997

Red Cavalry Isaac Babel, 2014-11-06

War's mess and muddle, the brutality and the inanity of fighting few have better captured this than Isaac Babel, who was a journalist with the Soviet First Cavalry Army. His unflinching portrayal of the murderous havoc of battle is offset by an unexpected and wry humour. Having seen the fighting up close, Babel is able to find the funny side of war while depicting its bloody side in all its mesmerising and casual violence. The lyricism and bitterness that characterise the thirty-five short stories of *Red Cavalry* are stunningly reproduced in this new translation by the award-winning Boris Dralyuk.

Figures of War and Fields of Honour C. D. Luck, 1995

A book about war in literature

Music from a Speeding Train Harriet Murav, 2011-08-15

Music from a Speeding Train challenges the view that there was no Jewish culture in the Soviet Union by exploring over one hundred Russian and Yiddish works from the 1920s to the turn of the 21st century.

A Nation of Refugees Assistant Professor of History and Jewish Studies Polly Zavadviker, Polly Zavadviker, 2024-10-23

Though the Holocaust has been documented in depth, historians and the public know very little about the experience of Eastern European Jews during the preceding world war. *A Nation of Refugees* tells the story of how ordinary Jewish people in the Russian Empire survived World War I as refugees and civilians. It focuses on the resilience and organized campaigns of humanitarian war relief that countered violence and victimization. Above all, it captures the voices and experiences of refugees at a time of upheaval and war through first-hand accounts.

Revolution from Abroad Jan T. Gross, 2021-05-11

Jan Gross describes the terrors of the Soviet occupation of the lands that made up eastern Poland between the two world wars: the Western Ukraine and Western Belorussia. His lucid analysis of the revolution that came to Poland from abroad is based on hundreds of first-hand accounts of the hardship, suffering, and social chaos that accompanied the Sovietization of this poorest section of a poverty-stricken country. Woven into the author's exploration of events from the Soviet's German-supported aggression against Poland in September of 1939 to Germany's attack on the Soviet Union in June 1941, these testimonies not only illuminate his conclusions about the nature of totalitarianism but also make a powerful statement of their own. Those who endured the imposition of Soviet rule and mass deportations to forced resettlement, labor camps, and prisons of the Soviet Union are here allowed to speak for themselves, and they do so with grim effectiveness.

The Greatest Works of Henryk Sienkiewicz Henryk Sienkiewicz, 2023-12-09

Henryk Sienkiewicz's *The Greatest Works of Henryk Sienkiewicz* represents a monumental anthology that encapsulates the breadth of the author's literary genius. Spanning various themes including nationalism, heroism, and love, this compilation

showcases Sienkiewicz's masterful command of narrative techniques and rich evocative language. The stories set against the backdrop of tumultuous historical events reflect the restless spirit of Poland during a time of national struggle. His use of vibrant prose and well-drawn characters brings to life the complexities of human emotion within broader social and political frameworks, marking him as a pivotal figure in Polish literature and a laureate of the Nobel Prize in Literature in 1905. Sienkiewicz was deeply influenced by the sociopolitical climate of 19th-century Poland, a nation experiencing division and hardship. His dedication to capturing the essence of Polish identity along with his personal experiences in exile and his background in law and history endowed him with a unique perspective. This context not only enriched his storytelling but also fueled his passion for documenting the resilience and valor of his compatriots through fiction, thereby resonating powerfully with readers. This anthology is highly recommended for scholars and enthusiasts of Polish literature alike, as it offers profound insights into Sienkiewicz's thematic concerns and stylistic innovations. It serves as both an introduction for new readers and a comprehensive reference for those deeply invested in the literary merits of Sienkiewicz's oeuvre, poised to inspire admiration for this towering literary figure.

WITH FIRE & SWORD Trilogy Henryk Sienkiewicz, 2023-12-16
Henryk Sienkiewicz's *With Fire & Sword* Trilogy masterfully intertwines historical fiction with epic narrative, vividly depicting the tumultuous period of the 17th-century Polish-Lithuanian Commonwealth during the Khmelnytsky Uprising. Sienkiewicz employs a rich descriptive prose style, immersing readers in the vibrant yet brutal world of noble warriors, existential struggles, and cultural conflict. His portrayal of historical events is laced with deep philosophical undercurrents, offering a commentary not only on the nature of war and valor but also on love and vengeance, capturing the zeitgeist of a formative era in Central European history. Sienkiewicz himself was deeply influenced by his Polish heritage and concern for national identity, which inspired him to illuminate a period often overshadowed by more prominent European stories. As a laureate of the Nobel Prize in Literature, his experiences of loss and cultural revival provided fertile ground for his storytelling, allowing him to weave personal narratives into historical tapestry with unparalleled depth and insight. This trilogy is essential for readers interested in engaging with Poland's rich historical narrative through a literary lens. Sienkiewicz's emotional and detailed storytelling will resonate with anyone seeking adventure, romantic intrigue, and a profound reflection on the human condition amidst chaos. A must-read for fans of historical fiction.

Warfare, State and Society on the Black Sea Steppe, 1500-1700 Brian Davies, 2014-04-04. This crucial period in Russia's history has been neglected by historians, but Brian Davies' study provides an essential insight into the emergence of Russia as a great power.

The Bar Mitzvah Book Moira Paterson, 1975

Sidney Webb and East Africa Robert G. Gregory, University of California, Berkeley, 1962

Russian Literature of the Twenties Carl R. Proffer, 1987
