Back To The Sources Barry W. Holtz, 2008-06-30 Essays analyze the major traditional texts of Judaism from literary historical philosophical and religious points of view *Back to the Sources* Barry W. Holtz, 1984 **Solving the Mystery of Babylon the Great** Edward Hendrie, 2011 The evidence presented in this book leads to the ineluctable conclusion that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion and is the core of a world conspiracy against man and God Legal Traditions of the World H. Patrick Glenn, 2010 a superb book J South Pacific L **Midrashic Women** Judith R. Baskin, 2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a tradition formed by men for a male community deeply valued the essential contributions of wives and mothers while also consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse **Your Word Is Fire** , 2012-01-13 The power of prayer for spiritual renewal and personal transformation is at the core of all religious traditions Because Hasidic literature contains no systematic manual of contemplative prayer the texts included in this volume have been culled from many sources From the teachings of the Hasidic Masters the Ba al Shem Tov the Maggid Dov Baer of Meidzyrzec and their immediate disciples the editors have gleaned hints as to the various rungs of inner prayer and how they are attained Hasidism the Jewish revivalist movement that began in the late eighteenth century saw prayer as being at the heart of religious experience and was particularly concerned with the nature of a person s relationship with God The obstacles to prayer discussed by the Hasidic masters distraction loss of spirituality and inconstancy of purpose feel very close to concerns of our own age Through advice parables and explanations the Hasidic masters of the past speak to our own attempts to find meaning in prayer **Prayer & Community** Riv-Ellen Prell, 2018-02-05 Combining history and ethnography Prell uses current theories about ritual and prayer to understand men s and women s struggles with their religious tradition and their desire to create community Riv Ellen Prell spent eighteen months of participant observation field research studying a countercultural havurah to determine why these groups emerged in the United States during the 1970s In her book she explores the central questions posed by the early havurot and their founders She also examines the havurah as a

development of American Judaism continuing rather than rejecting many of the previous generations ideas about religion Combining history and ethnography Prell uses current theories about ritual and prayer to understand men s and women s struggles with their religious tradition and their desire to create community **Essential Judaism** George Robinson,2008-06-30 You ll find everything you need to know about being Jewish in this indispensable revised and updated guide to the religious traditions everyday practices philosophical beliefs and historical foundations of Judaism What happens at a synagogue service What are the rules for keeping kosher How do I light the Hanukah candles What is in the Hebrew Bible What do the Jewish holidays signify What should I be teaching my children about being Jewish With the first edition of Essential Judaism George Robinson offered the world the accessible compendium that he sought when he rediscovered his Jewish identity as an adult In his ambitious and all inclusive New York Times Book Review guide Robinson illuminates the Jewish life cycle at every stage and lays out many fascinating aspects of the religion the Kabbalah and Jewish mysticism the evolution of Hasidism and much more while keeping a firm focus on the different paths to living a good Jewish life in today s world Now a decade and a half later Robinson has updated this valuable introductory text with information on topics including denominational shifts same sex marriage the intermarriage debate transgender Jews the growth of anti-Semitism and the changing role of women in worship along with many other hotly debated topics in the contemporary Jewish world and beyond The perfect gift for a Bar Bat Mitzvah or anyone thinking about conversion this is the ultimate companion for anyone interested in learning more about Judaism the kind of book its readers will revisit over and over for years to come

Anti-cultic Theology in Christian Biblical Interpretation Valerie A. Stein, 2007 Anti Cultic Theology in Christian Biblical Interpretation challenges the widely held view that Isaiah 66 1 4 is a prophetic indictment against temple worship Through critical analysis of representative interpretations from the Patristic Era the writings of Martin Luther and Modern Biblical Scholarship the book reveals the anti cultic interpretation of these verses to be theologically motivated The author argues instead that Isaiah 66 contrasts divine and human nature rather than cultic and spiritual worship This work contributes to the subject of Jewish Christian relations in a unique way grounding the discussion of anti Jewish interpretation of the Hebrew Bible in the analysis of a particular passage *Our Hands Are Stained with Blood* Michael L. Brown, 1992 A description of 2 000 years of Christian persecution of the Jews written by a Jewish Christian who contends that Christians are almost totally ignorant of the Jews agony throughout the centuries Pointing to the Jewish origins of Jesus and the apostles and to positive aspects of Judaism decries the Christian distortion of Judaism and the hatred and lies spread against the Jewish people up to the present day Although he believes that the Jews will eventually come to accept Jesus as the Messiah Brown calls on Christians to approach Jews with love and not with hatred He states that Satan is the author of the spirit of antisemitism and that Christians must recognize that when they hate Jews they are heeding not God but Satan

the author explores an alternative paradigm for understanding women's relationship to wisdom traditions in the ancient Near East using parallel texts later midrash and extrabiblical representations of biblical women associated with wisdom Fontaine is thus able to show that women were culturally authorized performers of the family based wisdom traditions of teaching economic problem solving and care giving and that these roles provided them with a platform to use their acknowledged wisdom in public roles

Of Essence and Context Rūta Stanevičiūtė, Nick Zangwill, Rima Povilionienė, 2019-06-01 This book provides a new approach to the intersections between music and philosophy It features articles that rethink the concepts of musical work and performance from ontological and epistemological perspectives and discuss issues of performing practices that involve the performer's and listener's perceptions In philosophy the notion of essence has enjoyed a renaissance However in the humanities in general it is still viewed with suspicion This collection examines the ideas of essence and context as they apply to music A common concern when thinking of music in terms of essence is the plurality of music There is also the worry that thinking in terms of essence might be an overly conservative way of imposing fixity on something that evolves Some contend that we must take into account the varying historical and cultural contexts of music and that the idea of an essence of music is therefore a fantasy This book puts forward an innovative approach that effectively addresses these concerns It shows that it is in fact possible to find commonalities among the many kinds of music The coverage combines philosophical and musicological approaches with bioethics biology linguistics communication theory phenomenology and cognitive science The respective chapters written by leading musicologists and philosophers reconsider the fundamental essentialist and contextualist approaches to music creation and experience in light of twenty first century paradigm shifts in music philosophy

The Marvelous Clouds John Durham Peters, 2015-06-19 An ambitious re-writing a re-synthesis even of concepts of media and culture It is nothing less than an attempt at a history of Being Los Angeles Review of Books When we speak of clouds these days it is as likely that we mean data clouds or network clouds as cumulus or stratus In their sharing of the term both kinds of clouds reveal an essential truth that the natural world and the technological world are not so distinct In *The Marvelous Clouds* John Durham Peters argues that though we often think of media as environments the reverse is just as true environments are media Peters defines media expansively as elements that compose the human world Drawing from ideas implicit in media philosophy Peters argues that media are more than carriers of messages they are the very infrastructures combining nature and culture that allow human life to thrive Through an encyclopedic array of examples from the oceans to the skies *The Marvelous Clouds* reveals the long prehistory of so called new media Digital media Peters argues are an extension of early practices tied to the establishment of

civilization such as mastering fire building calendars reading the stars creating language and establishing religions New media do not take us into uncharted waters but rather confront us with the deepest and oldest questions of society and ecology how to manage the relations people have with themselves others and the natural world A wide ranging meditation on the many means we have employed to cope with the struggles of existence from navigation to farming meteorology to Google The Marvelous Clouds shows how media lie at the very heart of our interactions with the world around us *Maimonides's Yahweh* Amy Karen Downey,2019-03-20 The life of Moshe ben Maimon Maimonides remains a mystery to many within evangelical Christianity However he is lauded as a second Moses by many within modern Judaism Does he deserve that title Maimonides s via negativa created a rationale for rejecting the messiahship claims of Jesus in Rabbinic Judaism Therefore this book seeks to illustrate that Maimonides in his desire to create an anti Christian apologetic regarding the incarnation fashioned a Judaism that does not reflect the truths of the Tanakh Old Testament and developed a Judaism that was untenable for the Jewish people of the twenty first century Many Jewish people today are turning in a thousand and one different directions for spiritual answers but not in the only way that will offer the way to God Jesus of Nazareth John 14 6 This work examines the history of Maimonides his teachings and an apologetic approach to bring the gospel back to the Jewish people Rom 1 16 **Methodius of Olympus: De lepra** Katharina Bracht,Anna Jouravel,Janina Sieber,2024-06-17 This volume studies and analyses the work De lepra by Greek church father Methodius of Olympus 3rd 4th century The dialogue which delves into the Old Testament legislation on leprosy in Leviticus 13 is approached from an interdisciplinary perspective including ecclesiastical history Slavonic studies and editorial studies The contributions serve as a complement to the publication of the Greek and Old Slavonic text of De lepra **Building a City** Sheila E. Jelen,Jeffrey Saks,Wendy Zierler,2023-08-15 The fiction of Nobel Laureate Shmuel Yosef Agnon is the foundation of the array of scholarly essays as seen through the career of Alan Mintz visionary scholar and professor of Jewish literature at the Jewish Theological Seminary of America Mintz introduced Agnon s posthumously published Ir Umeloah A City in Its Fullness a series of linked stories set in the 17th century and focused on Agnon s hometown Buczacz a town in what is currently western Ukraine to an English reading audience and argued that Agnon s unique treatment of Buczacz in A City in its Fullness navigating the sometimes tenuous boundary of the modernist and the mythical was a full throated self conscious literary response to the Holocaust This volume is an extension of a memorial dedicated to Mintz s memory who died suddenly in 2017 which combines selections of Alan s work from the beginning middle and end of his career with autobiographical tributes from older and younger scholars alike The essays dealing with Agnon and Buczacz remember the career of Alan Mintz and his contribution to the world of Jewish studies and within the world of Jewish communal life
