*Trojans 1972: an Immortal Team of Mortal Men* Bill Block, 2009-07-20 *Bill Blocks Trojans 1972 An Immortal Team of Mortal Men* captures the story of 47 USC football players beyond their glory days on campus and into their everyday lives as men. The 1972 Trojans are considered one of the greatest teams in the history of college football. They defeated Ohio State 42-17 in the 1973 Rose Bowl to complete an undefeated 12-0 season and were crowned national champions. Each chapter is a mini biography told through the eyes of each player. Each and every player from that '72 team, whether as powerful as fullback Sam Bam Cunningham, as intellectually gifted as defensive back Marvin Cobb, or as massive as offensive lineman Pete Adams, eventually became one of us. A mortal. You'll find humor, you'll find sorrow, and you'll find football. Most of all, you'll find lessons about being mortal.

**Tackling Marriage** Jerrod Nelson, 2015-09-03 Every fall Sunday we watch our favorite teams battle in the quest for a championship. Each player has been given a position by their coaches, and they need to succeed in order for their team to win. As husbands, God has given us positions that we need to fill for our wives as well. Are you her quarterback? Her wide receiver? Her defensive back? Or are you sitting in the stands watching the game go by? It can be difficult, but if we work hard and keep improving, we can feel the thrill of victory not in a crowded stadium but where it matters most: in our own homes.

Blue Ribbon Football Yearbook Chris Dortch,2005      *Leveling the Playing Field* David Marc,2015-07-22 *Leveling the Playing Field* tells the story of the African American members of the 1969 70 Syracuse University football team who petitioned for racial equality on their team The petition had four demands access to the same academic tutoring made available to their white teammates better medical care for all team members starting assignments based on merit rather than race and a discernible effort to racially integrate the coaching staff which had been all white since 1898 The players charges of racial disparity were fiercely contested by many of the white players on the team and the debate spilled into the newspapers and drew protests from around the country Mistakenly called the Syracuse 8 by media reports in the 1970s the nine players who signed the petition did not receive a response allowing or even acknowledging their demands They boycotted the spring 1970 practice and Coach Ben Schwartzwalder a deeply beloved figure on campus and a Hall of Fame football coach nearing retirement banned seven of the players from the team As tensions escalated white players staged a day long walkout in support of the coaching staff and an enhanced police presence was required at home games Extensive interviews with each player offer a firsthand account of their decision to stand their ground while knowing it would jeopardize their professional football career They discuss with candor the ways in which the boycott profoundly changed the course of their lives In *Leveling the Playing Field* Marc chronicles this contentious moment in Syracuse University s history and tells the story through the eyes of the players who demanded change for themselves and for those who would follow them
