Nancy McCord, 1992 A guide that is filled with traditional tried and true strategies as well as scientific techniques to protect your yard and garden from unwanted wildlife There are solutions here **Spy Archetypes** Ophelia Kincaid, AI, 2025-05-05 How much of what we understand about espionage comes from reality versus fiction Spy Archetypes explores the dynamic between real world espionage and its portrayal in film television and literature This is critical because our perceptions of espionage are shaped by fictional narratives and surprisingly actual intelligence operations have been influenced by these portrayals The book examines key figures like the lone wolf the femme fatale and the bureaucratic spymaster revealing how spy fiction reflects societal anxieties and geopolitical realities The book progresses by introducing core espionage figures and their historical roots then explores how events like the Cold War and cyber warfare have shaped these archetypes It draws from declassified documents historical accounts film analysis and interviews to provide a comprehensive view This approach reveals how spy narratives shape public opinion influence policy and even impact the recruitment and training of intelligence professionals This makes Spy Archetypes valuable for those in national security intelligence analysis and media studies **3am Songbook** Brian Joseph Jeffries, 2019-01-29 3am Songbook is a collection of lyrical poems about positivity inspiration and new beginnings These poems tell stories of life s journeys focusing on love faith music and many more uplifting themes **One Nation Underground** Kenneth D. Dear Da-Lê Anh Duong,2024-09-21 In an intensely revealing memoir written for his Canadian daughter a man breaks a lifetime of silence about the traumas of his childhood in war torn Vietnam and his years as a refugee in revolutionary Iran Spanning decades and generations this heartfelt memoir began as a series of letters from a worried father Anh Duong had witnessed terrible things as a child during the Vietnam War and later as a refugee in Iran during the revolution of the late 1970s But like many in the Vietnamese diaspora he had remained silent about his experiences believing that trauma was better left unspoken However when his daughter became involved in student protests Duong felt compelled to speak about his own experience of uprisings In precise prose Dear Da L moves along a taut narrative thread that begins with Duong s birth in 1953 and ends with his arrival frayed and broke in Canada in 1980 With surprising moments of hope and tenderness amid brutal divisions the author creates a coming of age story intertwined with the human costs of war and exile Its revelations are sure to resonate not only with the generation born to refugees of the Vietnam War but with anyone seeking to understand the lasting often hidden torments of violent conflict and the healing that can take place in the act of telling
