exercises warm up stretch and build creative muscle Kicking In the Wall includes quotes from famous writers to accompany the exercises as well as real world examples of completed exercises by the author s students in the UCLA Extension Writer s Program Though Abercrombie says readers need only commit to five minutes per exercise she writes I ve seen novels memoirs and many essays get started in those five minutes and a lot ended up being published Her playful method is essential fuel for writers trying to get off the starting block persevere through challenges and cross their personal creativity finish lines

Courage and Craft Barbara Abercrombie,2010-09-04 Have you always wanted to write about your life but wondered how to get started how to keep going and whether it s even worth it in the first place Under the guidance of veteran author and writing teacher Barbara Abercrombie you ll learn how to turn the messy crazy sad and wonderful stuff of your life into prose or poetry that has order clarity and meaning Abercrombie presents the nuts and bolts of several genres showing you how to keep a journal craft a personal essay or write a memoir autobiography poem or work of fiction She offers lessons to embolden you as a writer and practical guidelines for working writing into your everyday life giving and receiving feedback and getting your work published In Courage Craft you ll find exercises to keep the inner critic at bay inspiration from writers who ve been there and proven advice for getting your words on the page and out into the world

The Language of Loss Barbara Abercrombie,2020-11-03 When Barbara Abercrombie s husband died she found the language of condolence irritating no matter how well intended My husband had not gone to a better place as if he were off on a holiday He had not passed like clouds overhead nor was he my late husband as if he d missed a train I had not lost him as if I d been careless and for sure none of it was for the best She yearned instead for words that acknowledged the reality of death spoke about the sorrow and loneliness and perhaps even guilt and anger and might even point the way toward hope and healing She found those words in the writings gathered here The Language of Loss is a book to dip into and read slowly a collection of poems and prose to lead you through the phases of grief The selections follow an arc that mirrors the path of many mourners from abject loss and feeling unmoored to glimmers of promise and possibility through to gratitude for the love they knew These writings which express what often feels ineffable will accompany those who grieve offering understanding and solace

A Year of Writing Dangerously Barbara Abercrombie,2012 A successful author and writing teacher offers a wide range of inspiration and insights for burgeoning writers helping them get over a sense of fear and risk that may be holding them back and stifling their creativity
