Rubenstein,2006-06-07 When the White Sox met the Astros in the 2005 World Series it marked only the second time Chicago team had appeared in a televised World Series The first was in 1959 when the White Sox lost to the Dodgers Of the other 12 Series involving the Cubs or White Sox seven occurred before the radio broadcasting of baseball Five others were broadcast but because the games were played during the workday fans continued to get their coverage from newspapers There they found accounts penned by some of the greatest journalists of the 20th century including Ring Lardner Grantland Rice Arthur Bugs Baer and Westbrook Pegler as well as legendary Chicago scribes Charles Dryden James Crustinberry Hugh Fullerton I E Sanborn and Irving Vaughan With a chapter on each World Series involving a Chicago team this book covers 100 years of championship diamond contests in the Windy City from the intra city classic of 1906 to the end of the White Sox's 88 year championship drought in 2005 Contemporary accounts from newspapers and sports publications complement the author's informed commentary providing two views of the Series one shared by those who were there and one informed by the decades since All the Babe's Men Eldon L. *Why Positive Thinkers Have the Power* Ken Bossone,2008 For ten years Ken Bossone president of the World Positive Thinkers club has been researching and writing about what the main ingredient is that all winners possess Ken wanted to find out and write about what drove winners on in the face of defeat and adversity Was it what they did or thought Was it goals Having goals is nothing new Man has achieved goals since the beginning of time Was it hard work Everyone knows you must work hard to achieve goals After all the only thing that sits its way to success is a hen Was it intelligence Many brilliant people wind up on skid row as Ken has interviewed them there Was it wealth Many wealthy people are unhappy and wind up committing suicide And so the search went on Then one night Ken watched a middleweight championship boxing match between Sugar Ray Leonard and his opponent and after hearing the words Leonard s opponent uttered Ken realized the words were the key to the secret It hit Ken like a lightning bolt That was his breakthrough and he researched furiously to prove he was on the right path As Robert Frost the great poet said Do not follow where the path may lead Go instead where there is no path and leave a trail To Kens utter delight and amazement he realized unequivocally after personally experiencing financial tragedy a death threat loss of drivers license and car and other personal setbacks and with much research that the main ingredient coupled with goals is a three word motto that all winners have imbedded in their very souls to achieve winning and happiness As President of the World Positive thinkers club with over 500 sports and business winners Ken wants to share this amazing revelation with the world
