Sir John Mandeville

Babylon By The Sea:

Babylon by the Sea Anne Frances Pulling,1999 *The Field and Sea* J. M. Bray,2025-09-07 The Field and Sea frames the context and surroundings of two parables that Jesus told his apostles these parables were the treasure in the field and the pearl of great price These two parables were spoken only to the twelve apostles of Jesus these were not shared with the other disciples or crowd and there is a reason for that Jesus s disciples ask why he teaches in riddles Jesus tells them that they have been given to know the secrets of the kingdom but for others it has not been given Jesus speaks in parables allowing the Holy Spirit to work with hearts to understand and those seeking and searching may get the depth of the teaching The book takes us deeper into the details using the information provided from the bible and following the information revealed and examined from the scriptures The scriptures will give rise to the desire to understand the depths of what Jesus is telling us searching for the meanings within Then there is the hope that in sharing what is discovered it will encourage others to look deeper within God s word and not just linger on the surface We must passionately pursue the creator in all that He has given us to find revelation that is personal to each of us **A Testimony for all the Masters of Ships and Seamen to read over; and to see whether they be in the True Faith, etc** George Fox,1677

Babylon by the Sea (Revised) Anne Frances Pulling,2004-05 Babylon by the Sea focuses on a seaside community that once rich in salt marshes attracted many of the area s first settlers Originally called Sumpawam it was purchased from Native Americans in 1670 The township was formed from South Huntington and named Babylon in 1802 by Mrs Conklin a staunch advocate of the Bible Babylon includes the villages of Lindenhurst and Amityville and the hamlets of North and West Babylon Copaigue Deer Park Farmingdale and Wyandanch This vibrant community evolved from a humble beginning of farming fishing and whaling into an attractive resort community The area was unknown until the nearby barrier beach Fire Island gained prominence as a summer resort The South Shore line of the Long Island Railroad gave the seaside locality impetus when the train reached Babylon in 1867 Hotels and boardinghouses sprang up around town and beside the sea Among the pleasure seekers were many wealthy New Yorkers who came in quest of the invigorating air and relaxation outside the city The trip from New York took just over an hour a trolley would meet the visitors and transport them to the Great South Bay For many years the South Shore Railroad was the only electrified train and Babylon became the point of convergence for travelers bent on speed The village also witnessed the birth of radio and wireless communication when Marconi contacted ships at sea from Babylon

The Abyss in Revelation Edward Gudeman,2021-09-07 It is generally accepted that Revelation s heavenly scenes were intended to demonstrate that God continued to exercise his control even when the audience s experience might suggest otherwise In The Abyss in Revelation Edward Gudeman argues that even though the scenes of the underworld and its inhabitants are describing reality from the opposite perspective they declare God s sovereignty and power in an equally powerful way Examining the motif and imagery of the abyss and the sea in Old Testament New Testament Greco Roman and

Second Temple Jewish writings Gudeman identifies traditions that John appropriates in Revelation in order to create his unique vision of the abyss Gudeman shows that the abyss and related concepts in Revelation are variously envisioned as the abode of evil creatures the place from which they exit and a prison that holds them captive In all of this John consistently demonstrates that God is in control of the activity of Satan and demonic beings and that their destruction is both planned and certain Original and convincing this volume sheds light on Revelation s message about how God responds to evil and advances our understanding of several interpretive problems related to the abyss and its inhabitants Biblical scholars especially will benefit from Gudeman s research

Angels, Let's Talk Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool

Isaiah Thomas Kelly Cheyne,1889 YHWH in the Wind(s) Violet Chiswa Gandiya,2025-01-31 From interdisciplinary intertextual and comparative analytical perspectives this book engages with the epistemologies of the Global South and Global North to reveal a fresh insight into the image of YHWH in the guise of the phenomenal wind s and the purpose of this image in the biblical Hebrew tradition Therefore this book showcases YHWH appearing with the potent wind s to create and transform chaos into cosmic order at primal creation Likewise this discourse presents YHWH breaking into the historical and social realm in his various sociopolitical roles to destroy all forms of chaotic force by his bluster of wind s and to establish

maintain or restore world social order founded on his rule of justice and righteousness This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH s innate rules of ethical governance This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind s not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity justice and harmony within YHWH s intended design of world and social order
