Roberts, 2020-05-28 Material Culture in Russia and the USSR comprises some of the most cutting edge scholarship across anthropology history and material and cultural studies relating to Russia and the Soviet Union from Peter the Great to Putin Material culture in Russia and the USSR holds a particularly important role as the distinction between private and public spheres has at times developed in radically different ways than in many places in the more commonly studied West With case studies covering alcohol fashion cinema advertising and photography among other topics this wide ranging collection offers an unparalleled survey of material culture in Russia and the USSR and addresses core questions such as what makes Russian and Soviet material culture distinctive who produces it what values it portrays and how it relates to high culture and consumer culture **Export of Strategic Materials to the U.S.S.R. and Other Soviet Bloc Countries** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1961 October 26 1962 Hearing was held in New York City Land Hunger and the Rural Depopulation Problem in the U.S.S.R. , The Citizenship Law of the USSR George Ginsburgs, 2024-12-02 In 1968 the predecessor of this volume was published as Number 15 of the Law in Eastern Europe series under the title Soviet Citizenship Law The decision to put out a new version of that study was prompted by the enactment in 1978 of the CUTtent Law on the Citizenship of the USSR and the various changes in Soviet practice in this domain which occurred in the intervening decade I have drawn on the earlier work for background material and in order to make comparisons between the previous record here and the substance of the latest statute However the present monograph is not a second edition in the sense of being an expanded and updated revision of the original but stands as an independent piece of research and analysis Thus three of the chapters out of a total of six featured in the 1968 volume citizenship and state succession state succession and option of nationality and refugees and displaced persons have now been omitted for the simple reason that the situation

in these areas has remained virtually static during the past ten years so that the initial treatment requires no significant alteration On the other hand fresh problems have meantime arisen such as for instance the connection between citizenship and emigration and the relationship between citizenship status and the international protection of human rights which called for attention and are dealt with in this book *Rock Eras* James M. Curtis, 1987 From 1954 to 1984 the media made rock n roll an international language In this era of rapidly changing technology styles and culture changed dramatically too In the 1950s wild eyed Southern boys burst into national consciousness on 45 rpm records and then 1960s British rockers made the transition from 45s to LPs By the 1970s rockers were competing with television and soon MTV made obsolete the music only formats that had first popularized rock n roll Paper is temporarily out of stock Cloth 0 87972 368 8 is available at the paper price until further notice
