Rene Lauzier, 2024-03-11 Change is accelerating and the world of 2023 is unrecognizable from the world that existed just five years ago In a very subtle and incremental manner American society has been transformed from what once was the world s premiere super power a country that was exalted as an example of freedom justice morality and liberty into a divided group of many tribes cultures and political and special interest groups often lacking a moral compass We go with the loudest tribe fitting our basic ideals or choose to go it alone And when we try to avoid the many tribes of destruction we often tend to

adopt the idol of the god of self Community and unity are being left to die a slow painful death America's true north has become obscured because we decided to forego God as the light for our path This has allowed us to quickly forget the race worth running as well as those foundational values that once comprised what we stood for as a country But how did we get here and how can the trend of moral decay and divisiveness be reversed The Great American Backslide came about as a result of not just understanding that our natural tendency as humans is to be selfish and sinful but knowing we are being given substantial assistance by the dominion of darkness This book will take us through an analysis of biblical secular and non secular explanations of the existence of evil how it induces cultural paradigm shifts aimed to ultimately separate us from God how evil leverages our emotions our brain chemistry and our sinful human nature to manipulate subtle and incremental compromises of truth how evil sustains itself and creates ever increasing moral decay leading to further evil through a cycle of depravity and how we can go about living in opposition to evil influences upon our world Matthew's Word 'two':real Word of God Bible Ba Walter Burchett,2007-11-09 This book is 8 5x11 and almost 200 pages long Discover Biblical mysteries solved It covers the Anti Christ SWO Headquarters Mark of the Beast false Bibles children's toys Adam Eve and the Garden of Eden God replacing Able with Seth The raven and Noah's Ark Empirical Evidence Biblical proof already found Real age of the Earth KJV scriptures Matthew's word TWO in Legion The thorn in Paul's side Soul and Spirit connecting to the conscious and subconscious mind Kidnapped children on milk cartons Separation between Church and State Freedom of Religion and much much more *Taking the Underground Railroad to Freedom - Selected True Stories from Former Slaves & Abolitionists (Illustrated)* William Still,Sarah Bradford,Laura S.
