

BACKWOODS MUSINGS

By Ed Fassig

A man with a friendly expression, wearing a bright red long-sleeved shirt and blue jeans, is seated in a light-colored wooden rocking chair. He is holding a dark mug in his right hand. The setting is a rustic interior with a large, multi-colored stone fireplace behind him. A fire is burning brightly in the hearth. To the left of the fireplace, a black metal fire basket is visible. The floor is covered with a patterned rug. The overall atmosphere is cozy and inviting.

Musing through Towns of Mississippi Wynelle Scott Deese, 1999-08-24

From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art. Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes, documenting local landmarks and assembling crowds of friends and neighbors only too happy to pose for a picture. These images, printed as postcards and sold in general stores across the country, survive as telling reminders of an important era in America's history. This fascinating new history of Mississippi showcases more than two hundred of the best vintage postcards available, all organized into six geographical areas. Several family histories and other historical facts add to the richness of this book. Home Sweet Horror Kerry

Daniels, 2018-09-06. A dream come true turns into a nightmare. Jennifer Berwick always dreamed of having a place to call her own. When a long forgotten aunt died and left her a beautiful old estate, she thought those dreams had come true. Shortly after arriving at her new home, she starts experiencing things that are strange, which quickly turn to horrifying. The only person she can find to help her is the caretaker of the estate, William, to whom she finds herself drawn. As strange and mysterious as the house, he attempts to help her unravel the secrets behind the horror. Will they find the information they need to break the curse? Will their budding attraction survive? Or will the horrors that lie within the cursed house tear their very lives apart?
