can knock out a 5K the nutrition and weight loss and dealing with injury and recovery He discovered that he was not bionic but overall he was very capable of running long distances and recalling the tales very vividly James Adams Ultramarathon runner and author of Running and Stuff At times laugh out loud funny at others quite poignant the parts where Ira faces the impending loss of a dear friend are especially touching this book is a fun take on one man s journey to becoming an ultra runner and finding himself in the process UltrarunnerPodcast Dean Karnazes taught us about what it takes to be at the very top of ultra running wowing us in the process while Ira inspired by Dean gives us an insight of ultra running that the rest of us could aspire to The Running Stories **Macmillan Dictionary for Children** Robert B.
