## **Aithne Na Ngael Gaelic Identities:**

Edinburgh Companion to the Gaelic Language Moray Watson, 2010-06-30 Bringing together a range of perspectives on the Gaelic language this book covers the history of the language its development in Scotland and Canada its spelling syntax and morphology its modern vocabulary and the study of its dialects It also addresses sociolinguistic issues such as identity perception language planning and the appearance of the language in literature Each chapter is written by an expert on their topic The book has been written accessibly with a non specialist audience in mind It will have a particular value for those requiring introductions to aspects of the Gaelic language It will also be of great interest to those who are embarking on research on Gaelic for the first time Authors include Colm O Baoill David Adger Rob Dunbar Seosamh Watson Ken Nilsen Ken MacKinnon and Ronald Black

*Language and Identity* John Edwards, 2009-09-17 The language we use forms an important part of our sense of who we are of our identity This book outlines the relationship between our identity as members of groups ethnic national religious and gender and the language varieties important to each group What is a language What is a dialect Are there such things as language rights Must every national group have its own unique language How have languages large and small been used to spread religious ideas Why have particular religious and linguistic markers been so central singly or in combination to the ways in which we think about ourselves and others Using a rich variety of examples the book highlights the linkages among languages dialects and identities with special attention given to religious ethnic and national allegiances

Minority Languages and Cultural Diversity in Europe Konstanze Glaser, 2007-01-01 This book engages critically with debates about linguistic continuity and cultural survival in relation to Europe's autochthonous minorities Focusing on Scotland's Gaels and Lusatia's Sorbs Wends it analyses and evaluates competing assumptions rationales and ideologies which have shaped previous and present language revitalisation initiatives and that continue to pose dilemmas to language planners and politicians in the UK Germany and beyond

**Eastern European Perspectives on Celtic Studies** Michael Hornsby, Karolina Rosiak, 2019-01-08 This volume brings together contributions from a range of scholars not only from the Celtic heartlands but further afield such as Austria Canada and Poland The chapters are based upon a number of presentations on a wide range of Celtic Studies given at a conference in Pozna Poland in October 2014 The book as such emphasizes the international aspect of the field and highlights the relatively strong position of Celtic Studies in Poland through the inclusion of Polish scholars working on Irish and Breton and by introducing an academic audience to the conversation on Celtic matters which was held recently on Polish soil Celtic Studies are currently undergoing a series of changes with respect to the approaches adopted and the field is brought into question in this volume with an examination of the notion of Celtoscepticism which as pointed out when tackled in the right way can breathe new life into the subject and can be viewed as a positive movement As such a number of contributions here problematize the changes in thinking of many linguists over the concept of who is a speaker of a Celtic language and how well they speak it as well as the connection

between traditional Celtic cultural practices and the concept of well being The volume also provides chapters on Mediaeval Celtic Studies which showcase the work of a number of emerging scholars in the field who examine various aspects of Celtic textuality in Mediaeval Scotland Brittany and Wales Indeed this book gives voice to a number of early career scholars placing them carefully alongside more established scholars in the field in order to show the continuation of established methods of investigation

New Directions in Celtic Studies Amy Hale, Philip Payton, 2000 The primary aim of *New Directions in Celtic Studies* is to focus on contemporary issues and to promote interdisciplinary approaches within the subject Written by international scholars and practitioners in fields such as folklore ethnomusicology art history religious studies tourism and education the book brings together in one volume a wide range of perspectives It responds to the recent questioning of the viability of the notion of Celticity and the idea of Celtic Studies as a discipline and points to a renewed vitality in the subject *New Directions in Celtic Studies* is divided into four sections popular culture and representation commodities and Celtic lifestyles contemporary Celtic identity and the Celtic diaspora Celtic praxis
