Haskell,1898 Account of the author s boyhood and experiences during the Klondike gold rush **Two Years in the Klondike and Alaskan Gold Fields 1896-1898** William B. Haskell,2019-02-28 This is the plain story of one who began life in a little township of Vermont about thirty two years ago and who several times during the past two years has been dangerously near losing it in a search for gold along the glacier bound coasts of Alaska in the frozen regions of the Yukon and in the rich gulches of the Klondike William B Haskell with thirty dollars in his pocket set off west to find his fortune in the West Over the next two years he panned and dug in search of gold in the freezing conditions of Canada and the Klondike Two Years in the Klondike and Alaskan Gold Fields 1896 1898 is a brilliant account of the short period that Haskell risked his life for rich dirt enough to provide them with a comfortable amount of gold dust Woven around a detailed frequently humorous narrative of the successes and failures of the author and his partner the book offers insights into Klondike life ranging from practical advice on the techniques of cabin and boat building to observations on the virulence of mosquitoes tent care the quality of Klondike restaurants and the wisdom of justice dispensed by Alaskan miners meetings in the absence of any other form of law Ian N Higginson Polar Record His account of his months in the North has the drama and color of the bestsellers he most likely read Charlotte Gray Gold Diggers Striking It Rich in the Klondike Unlike most of the books on the Klondike Haskell told folks how life really was in the gold camps He didn t bother to make exaggerated claims or paint a rosy picture surprisingly easy to read and his unique observations and witty remarks help make the book a gem Jeremiah Wood The Outdoor Sporting Library Two Years in the Klondike and Alaskan Gold Fields 1896 1898 formed the basis of the Discovery Channel s mini series Klondike directed by Simon Cellan Jones and produced by Ridley Scott Haskell was played by Richard Madden Haskell s book was first published when he returned from the Klondike in 1898 **Two Years in the Klondike and Alaskan Gold-Fields; a Thrilling Narrative of Personal Experiences and Adventures in the Wonderful Gold Regions of Alaska and the Klondike, with Observations of Travel and Exploration Along the Yukon ...
