Alaskas Evergreen Lodge:

Alaska's Evergreen Lodge on Beautiful Lake Louise Barney Sabo, Marthy W. Johnson, 2001 This is the story of a secondary school principal who makes a difficult decision to give up the security of his profession to follow his spirit guide's advice to purchase a remote run down hunting and fishing lodge in Alaska Making the transition from wearing a suit and tie and shaving every working day to wearing hip boots a wool shirt and growing a full beard was a pleasant change Sabo enjoyed the years spent working with the teachers and students at various schools but dealing with mechanical problems such as generators boats motors and airplanes although at times exasperating was a significant change of pace from dealing with the behavior problem of 900 students and their parents Reviews Beautifully written Reads as though the author is talking to you Jerry Lannue Retired Fabulous this book is true to the Alaskan lifestyle Bobbie Breithaupt Travel Agent Susan Parr Travel A great book full of adventure I was fascinated with the book and I could not put it down Suzanne Eaton Vice President Client Manager Premier Banking Bank of America Everyone should read it Dave Waterbury retired Very enjoyable reading Steve Gilchrist Owner Landscape Northwest If you have ever wanted to follow your dreams but have been afraid to do it Barney's book is a must read This book is for pure people pleasure and looks at how different we all are and the good in most of us As you read you will experience emotions of laughter tears fear and a zest for life in a beautiful land Enjoy I did Gail Frick Investment Representative Ed Jones I read the book twice A great story of modern day adventure of someone not afraid to live their dream Don Wolf Owner Wolf Woodworks *Alaska Off the Beaten Path*® Lisa Maloney, 2025-05-06 Tired of the same old tourist traps Take the road less traveled and discover the hidden attractions unique finds and unusual locales other guidebooks just don't offer Off the Beaten Path features the things you'd want to see if only you knew about them From the best in local dining to quirky cultural tidbits you'll say over and over again I didn't know that Looking to discover a side of Alaska you never knew existed Take a flight seeing tour over glaciers and high country lakes Venture to the Kodiak Wildlife Refuge accessible only by seaplane or boat Embark on a kayaking expedition through Alaska's remote waters Take a cooking class and learn to prepare Alaskan seafood specialties If you've been there done that one too many times get off the main road and venture Off the Beaten Path Eighteen Wheels North to Alaska Cliff Bishop, 2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska's roads and weather but they learned to operate on the back trails and paths always making their way to the trip's end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a

worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat

The Alaskan Retreater's Notebook Ray Ordorica, 2016-01-19 In the fall of 1978 Ray Ordorica packed everything he thought he would need into his Toyota LandCruiser and drove north to Alaska He came to a land he had never seen to find something he wasn't even sure existed a wilderness cabin he could use for a year or more to live think relax read and write Ordorica found his cabin fixed it up and although it was just an un-insulated 12 by 16 foot one room log structure he spent three winters in it in relative comfort Ordorica's life in that cabin fulfilled a dream he had had for more than ten years During his long winters in Alaska it occurred to him that there must be many others who have put off an extended wilderness visit to out of ignorance or fear They have as many questions about Alaska as he had before he arrived How do you cope with 40 below How do you get water Is it totally dark in mid winter These questions and many more gave Ordorica the idea to write the Alaskan Retreater's Notebook an epic memoir about one man's journey into the Alaskan wilderness With his wisdom you will learn how to live with the country and not against it
