Black is back and she's now heading up MagicLand's newest detective agency. Well sort of. Cassie Black may have just defeated an evil wizard but that hasn't stopped her from getting kicked out of the Academy's detective training program. The upside is that it's forced Cassie to start her own agency. The downside? A complete lack of clients. Cassie thinks her career is on the upswing when Rosaria's new mayor hires her to find a missing jewel. It's a huge case that could turn the agency around. Trouble is the jewel hasn't been seen for well over 500 years and Cassie suspects there's something fishy behind the mayor's sudden demands the jewel be found ASAP. What's more something besides tea is brewing over at Magic HQ but thanks to a little snag in the Magic bureaucracy Cassie isn't allowed to lend her skills to the problem. In fact if she doesn't sort out that bit of bureaucracy in the next few days her sleuthing career will be over before it ever begins. It all has Cassie looking wistfully back on the days when all she had to do was save the world. If you like contemporary fantasy filled with wry humor, paranormal mystery and diabolical office chairs you'll love the twists and turns of this start to an all new trilogy featuring Cassie Black. Lengthy Over Explaining Book Note: This is book four of the hilarious and highly recommended Cassie Black Trilogy. Yes, book four because trilogies refuse to be tamed. Or if you prefer you can call it Book One of The Cassie Black Trilogy 2.0. Either way The Unusual Mayor Marheart kicks off a new unputdownable laugh snort filled fight against even more evil than Trilogy 1.0. Readers tell me this book can be enjoyed if you haven't read the first three books. But if you want a deeper understanding of the characters, Cassie's ability to attract trouble and what all those pastries are really all about, reading books 1-3 can't hurt unless you drop them on your toe. The Undead Mr Tenpenny Book 1 The Uncanny Raven Winston Book 2 The Untangled Cassie Black Book 3. What readers have to say about the series so far: Wow and wow again. I absolutely loved this book. You get such a feel for the characters and the story is so fast paced you don't want to put it down. More please. I was unable to put this down when I started reading it. The author combines humour with a fast paced murder mystery all packed into a funeral home suffused with dark humor and witty dialogue. Cassie Black won me over in the first book of this series and she doesn't disappoint in this one. **The Book Buyer's Guide**, 1967 **A Companion to Jean**

Renoir Alastair Phillips, Ginette Vincendeau, 2013-04-11. A Companion to Jean Renoir: An extraordinary collection of essays that more than fulfills the aims of its editors Alastair Phillips and Ginette Vincendeau. The essays offer exciting original work from younger scholars as well as long established authorities, all of which offer invaluable insights into the films, writings and life of Jean Renoir. Receiving particular attention are questions about the singularity or multiplicity of what the editors call the many Renoirs: French, American, Indian, even transnational, especially from the early 1930s through the early 1960s. Whether mining relatively unexplored archive materials, deploying newly current methodological approaches, interrogating one of a wide range of topics and issues, or engaging in close textual analysis, the contributors construct a tantalizing series of innovative road maps for future researchers to pursue. Richard Abel, University of Michigan. Alastair Phillips and Ginette Vincendeau have brought together essays that bring new perspectives to both the best known and the lesser known of Renoir.
