The Court Magazine and Monthly Critic, and Lady's Magazine and Museum ,1840 The Templar Order in North-west Italy Elena Bellomo,2008 Based on extensive archival searches this book provides the first reconstruction of the Templar presence in North west Italy giving general insights into the development and organization of the Order in this area and providing an outline of the history of each Templar house The Traveller's Guide to the Rhine Aloys Wilhelm Schreiber,1825 **Staritsa** Donald A. Guglielmi,2017-12-07 The present book is the first work to highlight Catherine Doherty's vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine's development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine's exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and temptations involving young women and was bordering on despair With clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope Becoming Reinaldo Arenas Jorge Olivares,2013-04-11 Becoming Reinaldo Arenas explores the life and work of the Cuban writer Reinaldo Arenas 1943 1990 who emerged on the Latin American cultural scene in the 1960s and quickly achieved literary fame Yet as a political dissident and an openly gay man Arenas also experienced discrimination and persecution he produced much of his work amid political controversy and precarious living conditions In 1980 having survived ostracism and incarceration in Cuba he arrived in the United States during the Mariel boatlift Ten years later after struggling with poverty and AIDS in New York Arenas committed suicide Through insightful close readings of a selection of Arenas's works including unpublished manuscripts and correspondence Olivares examines the writer's personal political and artistic trajectory focusing on his portrayals of family sexuality exile and nostalgia He documents Arenas's critical engagement with cultural and political developments in revolutionary Cuba and investigates the ways in which Arenas challenged literary and national norms Olivares's analysis shows how Arenas drew on his life experiences to offer revealing perspectives on the Cuban Revolution the struggles of Cuban exiles and the politics of sexuality **Smothered with Inexhaustible Mercy** Mark G.
