## *The Man and his Work*

'Albert Schweitzer is a divine gift in troublesome times. But unless the blessing it represents is to run away like sand between our fingers that gift must be cherished with a feeling of the utmost responsibility. It is now being endangered in a very special way . . . '

Vaux,2007-01-01 Kenneth Vaux advocates an Abrahamic theology as a dynamic and ethical axis for science and technology and argues for its continuing salience for a vital and humane science He demonstrates a historical correlation between an Abrahamic theological tradition monotheism and venturism and the rise of science Vaux illustrates these developments in the work of six scientists Avicenna Boyle Schweitzer and Teilhard as well as contemporaries Amartya Sen and Leon Kass In the course of his discussion Vaux engages the contemporary dialogue between religion and science      *Albert Schweitzer* George Seaver,2011-10-01      **Bibliography of the History of Medicine** ,      **Bibliography** Jacques Waardenburg,1973 Since its founding by Jacques Waardenburg in 1971 Religion and Reason has been a leading forum for contributions on theories theoretical issues and agendas related to the phenomenon and the study of religion Topics include among others category formation comparison ethnophilosophy hermeneutics methodology myth phenomenology philosophy of science scientific atheism structuralism and theories of religion From time to time the series publishes volumes that map the state of the art and the history of the discipline      **Nobel Lectures in Peace** Frederick W. More significantly the pleasure resides in the effort not the outcome Against the dark backdrop of malignancies inflicted on society by unrepentant leeches the benefits of unstinting diligence are sharply focused The reader is nudged into a higher plane of reality namely purposeful effort is rewarding Hence regardless of the end result effort is never wasted Conversely indolence is the bane of progress the root cause of socio economic crimes and social chaos Indeed corruption in all its diabolical forms is nothing but laziness masquerading as diligence Analysis of biographical data sustains the thesis that hard work extends life indolence shortens it Moreover indolence in all its fiendish forms is causally related to personal chaos The terminally lazy degenerate Pablo Escobar validates this principle when he prophetically asserted that no drug dealer ever died of old age He was right at age 44 he was slaughtered The persuasiveness of the arguments is supported by a wealth of references Together they form the final authority they lend credence to the arguments provided Schweitzer George N. Marshall, David Poling, 2000 He was an accomplished organist and interpreter of Bach a crusader for world peace and a winner of the Nobel Peace Prize He made his philosophy of reverence for life an ethic for the world The hospital he founded in Lambaré is still in operation in present day Gabon is a model of what Europeans might have given to Africans throughout colonial history But above all Albert Schweitzer 1875-1965 was a talented and compassionate human being This biography probes beyond the timeworn image of Schweitzer as the old man in the pith helmet to reveal the philosopher scholar husband father humanitarian and liberal rebel in a conservative church Congressional Record United States. Congress, 1963 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824 the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873 *Stories Behind Men of Faith* Ace Collins, 2009-05-26 Master storyteller Ace Collins offers deeply personal narratives of sixteen men whose living faith has made a vital difference in the world *Stories Behind Heroes of Faith* uncovers the influences the turning points and the surprising twists that have created icons of faith past and present who continue to inspire us to live better Christian lives and to witness to others Contemporary men such as Bono Branch Rickey Jim Valvano and Fred Rogers and historical figures such as William Carey John Newton Albert Schweitzer George Washington Carver and Nicholas of Myra have inspired millions They have led countless souls to follow in their steps and created legacies that have helped bring so much light into a dark world simply by courageously living their faith *Stories Behind Heroes of Faith* will remind readers that with faith in God anything is possible *Highlights in History: 1940-1965*, *Christian Advocate*, 1931 **The 20th Century O-Z** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic

**Jesus as Man, Myth, and Metaphor** Benjamin W. Farley, 2007-09-01 Current New Testament scholarship has done much to advance knowledge of Jesus's authentic words and message The works of Crossan Borg Vermes Mack and many others attest to this movement In this process however the Christ of the Gospels or the so called Christ of faith has been caught in the crosshairs forcing Christianity to reflect anew on the church's interpretation of his life and place in history Has the church's dogma overreached the facts of Jesus's life Farley's book addresses these issues and offers a feasible and illuminating context within which to reexamine Jesus's life and significance for modern humankind His book probes the boundaries of Jesus as a historical person as a man as a figure of mythical proportions and as a metaphor for today's Christian sense of wholeness Along the way Farley incorporates the insights of Carl Jung Joseph Campbell and Paul Tillich to demonstrate the ways that psychology mythology and symbolism contribute to an appreciation of Jesus that moves beyond the debate of Jesus's historical status alone
