Kienholz, 1999 **The American Surveillance State** David H. Price, 2022-11-01 When the possibility of wiretapping first became known to Americans they were outraged Now in our post 9 11 world it s accepted that corporations are vested with human rights and government agencies and corporations use computers to monitor our private lives David H Price pulls back the curtain to reveal how the FBI and other government agencies have always functioned as the secret police of American capitalism up to today where they luxuriate in a near limitless NSA surveillance of all Price looks through a roster of campaigns by law enforcement intelligence agencies and corporations to understand how we got here Starting with J Edgar Hoover and the early FBI s alignment with business his access to 15 000 pages of never before seen FBI files shines a light on the surveillance of Edward Said Andre Gunder Frank and Alexander Cockburn Native American communists and progressive factory owners Price uncovers patterns of FBI monitoring and harassing of activists and public figures providing the vital means for us to understanding how these new frightening surveillance operations are weaponised by powerful governmental agencies that remain largely shrouded in secrecy World War II and the West It Wrought Mark Brilliant, David M.
