# Albert Gallatin And The Political Economy Of Republicanism 1761 1800

**Joyce Appleby**

## **Albert Gallatin And The Political Economy Of Republicanism 1761 1800:**

**Albert Gallatin and the Political Economy of Republicanism, 1761-1800** Edwin G. Burrows, 1986     *Albert Gallatin and the Political Economy of Republicanism, 1761-180* Edwin G. Burrows, 1974     *National Identity and the Agrarian Republic* Manuela Albertone, 2016-04-22 With a few exceptions historiography has paid little attention to the impact of French economic thought during the American Revolution focusing instead on the Revolution's links with Britain This book outlines how from the mid eighteenth to the early nineteenth century the political and social dimension of French economic thought and particularly of Physiocracy spurred American Republicans to a radical shaping of American agrarian ideology Such a perspective allows for a reconsideration of several questions that lie at the heart of contemporary historiographic debate the connection between politics and economics the meaning of republicanism the foundations of representation the role of Europe in the Atlantic world and the interaction between national histories and global context In particular the research methodology adopted here makes it possible to reconstruct how American national identity conceived as an expression of society in economic terms emerged through a cosmopolitan way of thinking focused on the uniqueness of the new state     **Gallatin** Nicholas Dungan, 2010-09-28 Examines the life of statesman Albert Gallatin and discusses his role in the formation of the United States     Albert Gallatin and the Politics of the New Nation Markus Claudius Cachia-Riedl, 1998

**The Elusive Republic** Drew R. McCoy, 2012-12-01 By investigating eighteenth century social and economic thought an intellectual world with its own vocabulary concepts and assumptions Drew McCoy smoothly integrates the history of ideas and the history of public policy in the Jeffersonian era The book was originally published by UNC Press in 1980     *The Republican Vision of John Tyler* Dan Monroe, 2003 Historians have generally ranked John Tyler as one of the least successful chief executives despite achievements such as the Webster-Ashburton treaty which heralded improved relations with Great Britain and the annexation of Texas Why did Tyler pursue what appears to have been a politically selfdestructive course with regard to both his first party the Democrats and his later political alliance the Whigs Monroe has set out to explain the beliefs that led to Tyler's resigning his Senate seat and exercising politically suicidal presidential vetoes as well as examines the crises Tyler faced during his term in the House the Panic of 1819 the financially tottering national bank and the Missouri debate     Capitalism and a New Social Order Joyce Appleby, 1984-08 Examines the vision of Jeffersonian Republicans and their impact on early American politics In 1800 the Jeffersonian Republicans decisive victors over what they considered elitist Federalism seized the potential for change in the new American nation They infused in it their vision of a society of economically progressive politically equal and socially liberated individuals This book examines the fusion of ideas and circumstances which made possible this triumph of America's first popular political movement When the Federalists convened in New York to form the more perfect union promised by the new United States Constitution they expected to build a strong central government led by the revolutionary members of the old colonial elite This expectation was dashed by the

emergence of a vigorous opposition led by Thomas Jefferson but manned by a new generation of popular politicians interlopers migr s polemicists what the Federalists called the mushroom candidates They turned the 1790s into an age of passion by raising basic questions about the characters of the American experiment in government When the Federalists defenders of traditional European notions of order and authority came under attack they sought to discredit the radical beliefs of the Jeffersonians Although the ideas that fueled the Jeffersonian opposition came from several strains of liberal and libertarian thought it was the specific prospect of an expanding commercial agriculture that gave substance to their conviction that Americans might divorce themselves from the precepts of the past Thus capitalism figured prominently in the Jeffersonian social vision Aroused by the Federalists efforts to bind the nation s wealthy citizens to a strengthened central government the Jeffersonians unified ordinary men in the southern and middle states mobilizing on the national level the power of the popular vote Their triumph in 1800 represented a new sectional alliance as well as a potent fusion of morality and materialism

**The Founders and Finance** Thomas K. McCraw,2012-10-08 In 1776 the U S owed huge sums to foreign creditors and its own citizens but lacking the power to tax had no means to repay them This is the first book to tell the story of how foreign born financial specialists the immigrant founders Hamilton and Gallatin solved the fiscal crisis and set the nation on a path to long term economic prosperity

**The Other Founders** Saul Cornell,2012-12-01 Fear of centralized authority is deeply rooted in American history The struggle over the U S Constitution in 1788 pitted the Federalists supporters of a stronger central government against the Anti Federalists the champions of a more localist vision of politics But argues Saul Cornell while the Federalists may have won the battle over ratification it is the ideas of the Anti Federalists that continue to define the soul of American politics While no Anti Federalist party emerged after ratification Anti Federalism continued to help define the limits of legitimate dissent within the American constitutional tradition for decades Anti Federalist ideas also exerted an important influence on Jeffersonianism and Jacksonianism Exploring the full range of Anti Federalist thought Cornell illustrates its continuing relevance in the politics of the early Republic A new look at the Anti Federalists is particularly timely given the recent revival of interest in this once neglected group notes Cornell Now widely reprinted Anti Federalist writings are increasingly quoted by legal scholars and cited in Supreme Court decisions clear proof that their authors are now counted among the ranks of America s founders

**Toward an Intellectual History of Women** Linda K. Kerber,2017-12-10 As a leading historian of women Linda K Kerber has played an instrumental role in the radical rethinking of American history over the past two decades The maturation and increasing complexity of studies in women s history are widely recognized and in this remarkable collection of essays Kerber s essential contribution to the field is made clear In this volume is gathered some of Kerber s finest work Ten essays address the role of women in early American history and more broadly in intellectual and cultural history and explore the rhetoric of historiography In the chronological arrangement of the pieces she starts by including women in the history of the Revolutionary era then makes the transforming

discovery that gender is her central subject the key to understanding the social relation of the sexes and the cultural discourse of an age From that fundamental insight follows Kerber s sophisticated contributions to the intellectual history of women Prefaced with an eloquent and personal introduction an account of the formative and feminist influences in the author s ongoing education these writings illustrate the evolution of a vital field of inquiry and trace the intellectual development of one of its leading scholars

**The Routledge History of American Science** Timothy W.

Kneeland,2022-12-01 The Routledge History of American Science provides an essential companion to the most significant themes within the subject area The field of the history of science continues to grow and expand into new areas and to adopt new theories to explain the role of science and its connections to politics economics religion social structures intellectual history and art This book takes North America as its focus and explores the history of science in the region both nationally and internationally with 27 chapters from a range of disciplines Part I takes a chronological look at the history of science in America from its origins in the Atlantic World through to the American Revolution the Civil War the World Wars and ending in the postmodern era Part II discusses American science in practice from scientists as practitioners laboratories and field experiences to science and religion Part III examines the relationship between science and power The chapters touch on the intersection of science and imperialism environmental science in U S politics as well as capitalism and science Finally Part IV explores how science is embedded in the culture of the United States with topics such as the growing importance of climate science the role of scientific racism the construction of gender and how science and disability studies converge The final chapter reviews the way in which society has embraced or rejected science with reflections on the recent pandemic and what it may mean for the future of American science This book fills a much needed gap in the history and historiography of American science studies and will be an invaluable guide for any student or researcher in the history of science in America

**The Key of Liberty** William Manning,1993 The Key of Liberty offers better than any book yet published a grassroots view of the rise of democratic opposition in the new nation It sheds considerable light on the popular culture literary religious and profane of the epoch

**The Encyclopedia of the Wars of the Early American Republic, 1783-1812**

Spencer C. Tucker,2014-06-11 Relatively little attention has been paid to American military history between 1783 and 1812 arguably the most formative years of the United States This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era This encyclopedia offers a comprehensive examination of U S military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812 It enables a detailed study of the Early Republic during which ideological and political divisions occurred over the fledgling U S military The entries cover all the important battles key individuals weapons Indian nations and treaties as well as numerous social political cultural and economic developments during this period The contents of the work will enable readers at the high school college university and even graduate level to comprehend how political parties emerged and how ideological

differences over the organization size and use of the military developed Larger global developments including Anglo American and Franco American interactions relations between Middle Eastern states and the United States and relations and warfare between the U S government and various Indian nations are also detailed The extensive and detailed bibliographies will be immensely helpful to learners at all levels **Catalog of Copyright Entries. Third Series** Library of Congress.

Copyright Office,1978 **Invisible Sovereign** Mark G. Schmeller,2016-01-12 This history of early American political thought examines the emergence evolution and manipulation of public opinion In the early American republic the concept of public opinion was a recent and ambiguous invention While appearing to promise a new style of democratic politics the concept was also invoked to limit self rule cement traditional prejudices stall deliberation and marginalize dissent As Americans contested the meaning of this essentially contestable idea they expanded and contracted the horizons of political possibility and renegotiated the terms of political legitimacy Tracing the concept from its late eighteenth century origins to the Gilded Age Mark G Schmeller s Invisible Sovereign argues that public opinion is a central catalyst in the history of American political thought Schmeller treats it as a contagious idea that infected a broad range of discourses and practices in powerful occasionally ironic and increasingly contentious ways Ranging across a wide variety of historical fields Invisible Sovereign traces a shift over time from early political constitutional concepts which wrapped pubic opinion in the language of constitutionalism to more modern social psychological concepts which defined public opinion as a product of social action and mass communication *Albert Gallatin's Vision of Democratic Stability* L. B. Kuppenheimer,1996-03-20 This study

reassesses the importance of Albert Gallatin for the emerging republic *The Republic Reborn* Steven Watts,1989-08 Serving as a vehicle for change and offering an outlet for the anxieties of a changing socity Watts writes the War of 1812 ultimately intensified and sanctioned the imperatives of a developing world view Research Guide to American Historical Biography Robert Muccigrosso,Suzanne Niemeyer,1988 Description and evaluation of the most important secondary and primary sources for 452 American historical figures in all five volumes T p verso v 5 **Complete Biographical**

**Encyclopedia of Pulitzer Prize Winners 1917 - 2000** Heinz-D. Fischer,2011-05-02 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions

## **Albert Gallatin And The Political Economy Of Republicanism 1761 1800 Introduction**

In today's digital age, the availability of Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Albert Gallatin And The Political Economy Of Republicanism 1761 1800 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Albert Gallatin And The Political Economy Of Republicanism 1761 1800 Books**

1. Where can I buy Albert Gallatin And The Political Economy Of Republicanism 1761 1800 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
