Greaves,2021-08-30 At the Nuremberg War Crimes Tribunal Albert Speer Hitler s one time number two persuaded the judges that he knew nothing of the Holocaust and related atrocities Narrowly escaping execution he was sentenced to twenty years in Spandau Prison Berlin In 1961 the newly commissioned author as the British Army Spandau Guard Commander was befriended by Speer who taught him German Adrian Greaves record of his conversations with Speer over a three year period make for fascinating reading While the top Nazi admitted to Greaves his secret part in war crimes after his 1966 release he determinedly denied any wrongdoing and became an intriguing and popular figure at home and abroad Following Speer s

death in 1981 evidence emerged of his complicity in Hitler's and the Nazis' atrocities In this uniquely revealing book the author skilfully blends his own personal experiences and relationship with Speer with a succinct history of the Nazi movement and the horrors of the 1930s and 1940s In so doing new light is thrown on the character of one of the 20th century's most notorious characters **Albert Speer--victim of Nuremberg?** William Hamsher,1970 Will The Real Albert Speer Please Stand Up? Geetanjali Mukherjee,2014-04-24 He presented many faces to the world but which one was genuine Over the years Albert Speer has been given several titles the good Nazi Hitler's architect future Reich Chancellor and even the only penitent defendant at Nuremberg There is no doubt that there are many faces to Albert Speer he was a man who had far greater power during the war than any other aside from Hitler and was widely believed to succeed Hitler his tremendous powers of organization raised German production to its peak at a time when resources were at an all time low and it was expected by all including himself that he would receive the death sentence like the other Nazi leaders instead escaping the noose with only twenty years In light of his extended involvement in the Nazi party both as Hitler's architect and the Minister for Armaments and his contributions to the illegal war waged by the regime the question naturally arises did Speer receive adequate punishment Did the verdict reflect the perception that Speer was somehow less culpable than the other defendants or did he mastermind his defence in a way that reduced his sentence The events leading up to the Nuremberg trial and the trial itself provides clues to answering these questions what can we learn about the personality of Speer from the evidence available and why does it matter *Golden Boy* Paula Astridge,2019-06-01 Albert Speer was one of the most brilliant and controversial men of the Twentieth Century Although he was the Adolf Hitler's favourite for many years Speer refused to share in his suicide and was condemned to twenty years in Spandau Prison for war crimes His open confession of guilt at the Nuremberg Trials spared him the noose but to this day a question mark hangs over his head What was the level of his involvement in the Holocaust Was he a man of integrity caught up in a web of evil from which he couldn't escape or was he just clever and convincing enough to have obscured the worst of his sins No one has ever argued convincingly one way or the other Paula Astridge's very personal and exhaustively researched account will both entertain and enable the reader to draw their own conclusions *Albert Speer* ,2015 Plucked from obscurity to be Hitler's chief architect and Minister of War Albert Speer became the second most powerful man in Nazi Germany and the closest Hitler had to a friend Having narrowly escaped hanging at Nuremberg Speer emerged from twenty years at Spandau gaol as he thought a changed man But even as he publishes his bestselling accounts of the Third Reich the extent of his complicity in Nazi crimes returns to haunt him and his long suffering family **Speer** Joachim C. Fest,2001 A portrait of Germany's World War II Armaments Minister considers his rise from unemployed architect to designer of the Third Reich's most important buildings personal relationship with Hitler and considerable ambition **Inside the Third Reich** Albert Speer,1970 INSIDE THE THIRD REICH is not only the most significant personal German account to come out of the war but the most revealing

document on the Hitler phenomenon yet written. It takes the reader inside Nazi Germany on four different levels: Hitler's inner circle, National Socialism as a whole, the area of wartime production, and the inner struggle of Albert Speer. The author does not try to make excuses even by implication and is unrelenting toward himself and his associates. Speer's full-length portrait of Hitler has unnerving reality. The Fuhrer emerges as neither an incompetent nor a carpet gnawing madman but as an evil genius of warped conceits endowed with an ineffable personal magic. **NEW YORK TIMES**

Albert Speer - Escaping the Gallows Adrian Greaves, 2021-08-30. At the Nuremberg War Crimes Tribunal, Albert Speer, Hitler's one-time number two, persuaded the judges that he knew nothing of the Holocaust and related atrocities. Narrowly escaping execution, he was sentenced to twenty years in Spandau Prison, Berlin. In 1961, the newly commissioned author of the British Army Spandau Guard, Commander was befriended by Speer, who taught him German. Adrian Greaves' record of his conversations with Speer over a three-year period makes for fascinating reading. While the top Nazi admitted to Greaves his secret part in war crimes, after his 1966 release, he determinedly denied any wrongdoing and became an intriguing and popular figure at home and abroad. Following Speer's death in 1981, evidence emerged of his complicity in Hitler's and the Nazis' atrocities. In this uniquely revealing book, the author skilfully blends his own personal experiences and relationship with Speer with a succinct history of the Nazi movement and the horrors of the 1930s and 1940s. In so doing, new light is thrown on the character of one of the 20th century's most notorious characters.

Speer Martin Kitchen, 2015-10-28. Sets the record straight on Albert Speer's assertions of ignorance of the Final Solution and claims to being the good Nazi. Kirkus Reviews. In his bestselling autobiography, *Albert Speer: Minister of Armaments and Chief Architect of Nazi Germany*, Speer repeatedly insisted he knew nothing of the genocidal crimes of Hitler's Third Reich. In this revealing new biography, author Martin Kitchen disputes Speer's lifelong assertions of ignorance and innocence, portraying a far darker figure who was deeply implicated in the appalling crimes committed by the regime he served so well. Kitchen reconstructs Speer's life with what we now know, including information from valuable new sources that have come to light only in recent years. The result is the first truly serious accounting of the man, his beliefs, and his actions during one of the darkest epochs in modern history, not only countering Speer's claims of non-culpability but also disputing the commonly held misconception that it was his unique genius alone that kept the German military armed and fighting long after its defeat was inevitable. A devastating portrait of an empty, narcissistic, and compulsively ambitious personality. *The Wall Street Journal*. Kitchen's exhaustively researched, detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis. Its fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning for today. *Daily Mail*. *Book of the Month*. An excellent new biography. Kitchen has taken a wrecking ball to Speer's mendacious and meticulously created self-image. And about time too. *History Today*

Albert Speer in the Federal Republic Martina Christmeier, Alexander Schmidt, 2017 Albert Speer architect and armaments minister of the Nazi regime successfully captured the image of a non political technocrat after his release from prison in 1966 He had had no knowledge of the crimes of national socialism and had been seduced by Hitler's aura The book corrects the spear legend and makes the interaction of the Germans with their past visible **Will the Real Albert Speer Please Stand Up?** Geetanjali Mukherjee, 2016-06-06 Reader review A well documented study of Albert Speer the good Nazi who escaped the gallows at the Nuremberg trials Geetanjali Mukherjee makes a compelling argument that Speer lied about his role in the government and was able to con the investigators with his charming personality Well written and a great read He presented many faces to the world but which one was genuine Over the years Albert Speer has been given several titles the good Nazi Hitler's architect future Reich Chancellor and even the only penitent defendant at Nuremberg There is no doubt that there are many faces to Albert Speer he was a man who had far greater power during the war than any other aside from Hitler and was widely believed to succeed Hitler his tremendous powers of organization raised German production to its peak at a time when resources were at an all time low and it was expected by all including himself that he would receive the death sentence like the other Nazi leaders instead escaping the noose with only twenty years In light of his extended involvement in the Nazi party both as Hitler's architect and the Minister for Armaments and his contributions to the illegal war waged by the regime the question naturally arises did Speer receive adequate punishment Did the verdict reflect the perception that Speer was somehow less culpable than the other defendants or did he mastermind his defence in a way that reduced his sentence The events leading up to the Nuremberg trial and the trial itself provides clues to answering these questions what can we learn about the personality of Speer from the evidence available and why does it matter *Albert Speer* Elizabeth Blackwell, 2025-04-27 Have you ever wondered how a person can rise to the heights of power and success while being part of a regime that caused immense suffering What happens when such a figure faces the aftermath of their actions trying to reconcile their past with the need for redemption In *Albert Speer The Complete Life Story* you'll dive deep into the life of one of the most complex figures of the 20th century This biography unravels the journey of Albert Speer from his early ambitions as a brilliant architect to his critical role in Nazi Germany's war machine and his post war struggle for moral redemption Inside this book you'll find valuable lessons about ambition responsibility guilt and self reflection As you journey through Speer's story you'll encounter profound insights on how we all grapple with our choices and the consequences they bring This book is not just a historical account it's a mirror for anyone willing to confront their own decisions actions and legacy There is much to learn and it will leave you reflecting on your own life's path choices and the impact they have on the world around you *Albert Speer, Architect of the Third Reich* Carole Cable, 1983 **Speer** Joachim C Fest, 2003-11-10 Albert

Speer was an unemployed architect when Hitler came to power in 1933. Soon he was designing the Third Reich's most important buildings. In 1942, Hitler appointed him Armaments Minister, and he quadrupled production, an astonishing achievement that kept the German Army in the field and prolonged the war. Yet Speer's life was full of contradictions. The only member of the Nazi elite with whom Hitler developed more than a purely functional relationship, he has even been called Hitler's unrequited love. Speer was always an outsider in Hitler's inner circle. He saw himself as an artist above the crass power struggles of the roughnecks around him. But his enormous ambition blinded him to the crimes in which he played a leading role. Brilliantly illustrated, this gripping account of one man's rise and fall helps explain how Germany descended so far into crime and barbarism.
