Albertas Local Governments

Jack Masson

Alberta's Local Governments:

Alberta's Local Governments: Politics and Democracy Jack Masson, Edward C. LeSage, 1994 During the last decade Alberta municipalities have endured hardships they have not faced since the Great Depression Changes in the province's political structures appear to have been made primarily to transfer a greater share of the costs of local government to the municipalities yet surprisingly few municipal politicians have resisted the province's financial policies Local Government Financing in Alberta, Including an Appraisal of Provincial-municipal Financial Relationships Citizens' Research Institute of Canada, 1954 Government and Politics in Alberta Allan Tupper, Roger Gibbins, 1992 Alberta's politics are changing in response to powerful economic social and political forces The contributors focus on developments since the election of the Progressive Conservatives in 1971 Foundations of Governance Andrew Sancton, Robert Andrew Young, 2009-01-01 In Foundations of Governance experts from each of Canada's provinces come together to assess the extent to which municipal governments have the capacity to act autonomously purposefully and collaboratively in the intergovernmental arena

Urban Affairs in Alberta David George Bettison, John K. Kenward, Larrie Taylor, 1975 No description **Homes in Alberta** Donald G. Wetherell, Irene R.A. Kmet, Alberta. Alberta Culture and Multiculturalism, Alberta. Alberta Municipal Affairs, 1991 Don Wetherall and Irene Kmet have drawn upon an extensive range of archival visual and printed sources to write a comprehensive history of housing in Alberta from the late nineteenth century until the 1960s The authors examine design materials and methods of construction government policy and economic and social aspects of housing in Alberta

Intergovernmental Fiscal Transfers Robin W. Boadway, Anwar Shah, 2007 The design of intergovernmental fiscal transfers has a strong bearing on efficiency and equity of public service provision and accountable local governance This book provides a comprehensive one stop window source of materials to guide practitioners and scholars on design and worldwide practices in intergovernmental fiscal transfers and their implications for efficiency and equity in public services provision as well as accountable governance Teaching the World Merrill Distad, University of Alberta. Office of the Vice-President (Research and External Affairs), 1996-04 This book catalogues an exhibition of textbooks by authors from the University of Alberta Each finished textbook contains its own story of challenges and victories And each has its own power as a record of knowledge a teaching tool and an object of permanence and beauty **Local Government in a Global World** Emmanuel Brunet-Jailly, John F. Martin, 2010-01-01 Contributors provide insights into key themes impacting local governance in two federations with much in common historically culturally and politically Australia and Canada These essays examine changes in the Australian and Canadian systems through four thematic lenses citizen participation in government systems the restructuring and reform of local governments the use of performance measures and management systems in the administration of local governments and the relations of local governments within higher levels of governments The Government and Politics of the Alberta Metis Settlements Thomas C. Pocklington, University of Regina. Canadian Plains

Research Center,1991 This study of the eight Metis settlements in northern Alberta examines their history legal status government and politics external and internal organizations the issue of self government and the opinions and attitudes of residents on a number of topics and presents an unconventional approach to native self government Governing Ourselves? Mary Louise McAllister,2011-11-01 Popular rhetoric suggests that the twenty first century has ushered in an era of homogeneity Urbanization globalization amalgamation media conglomeration and technological convergence have become familiar terms Given the pressures of integration and assimilation how are people within communities able to make decisions about their own environment whether individually or collectively To what extent can they govern themselves Governing Ourselves explores issues of influence and power within local institutions and decision making processes using numerous illustrations from municipalities across Canada It shows how communities large and small from Toronto to Iqaluit have distinctive political cultures and therefore respond differently to changing global and domestic environments Case studies of Prince George Sherbrooke Saint John and Kitchener Waterloo are used to illuminate historical and contemporary challenges to local governance This stimulating book covers traditional topics such as government structures and institutions and intergovernmental relations It also reaches more broadly into areas of inquiry relevant to geography urban planning environmental studies public administration sociology and Canadian studies Eric J. Hanson's Financial History of Alberta, 1905-1950 Eric John Hanson,2003 Eric Hanson Albertas first and arguably greatest economist wrote a number of influential books on federal provincial relations education finance health care finance and energy economics His doctoral thesis was entitled A Financial History of Alberta 1905 1950 and was found by Paul Boothe at the University of Alberta library while Boothe was doing research on Alberta government spending almost forty five years after it was written This forgotten gem sheds light on the institutional economic and public development of the province from a financial perspective With a detailed and analytical introduction this edited work provides historical perspective on the perennial problems facing Alberta s fiscal managers wildly fluctuating revenues in migration seemingly insatiable demands for infrastructure high quality public services and resistance to taxes while exuding an optimistic attitude for the future The Social Credit Phenomenon in Alberta Alvin Finkel,1989-01-01 In this account of the Social Credit transformation Alvin Finkel challenges earlier works which focus purely on Social Credit monetary fixations and religiosity Local Government Reform Brian Dollery,Joseph Garcea,Edward C. LeSage,2008-01-01 Written by an impressive array of experts this book surveys local government reforms in six advanced democracies federal and unitary which share a municipal legacy Australia Canada Ireland New Zealand the UK and the US The book has an excellent bibliography and will help open up a field heretofore noted for its insularity Recommended A J Ward Choice Municipal Boundary Battles Sandeep Agrawal,2024-09-16 Municipal Boundary Battles explores the motivations land use effects and financial implications of municipal boundary adjustments across Canada focusing mainly on annexations and amalgamations the most frequent means to adjust boundaries and reform local

governments in this country With a focus on mid size cities and small towns rather than major Canadian metropolitan areas the authors uncover hidden motivations untangle behind the scenes political machinations and document the resulting conflict Through empirical evidence case studies and examples the collection helps develop generalizations and inform best practices for municipal boundary adjustments and reform The contributors explain how the esoteric aspects of adjustments work in more practical applications offering political scientists geographers municipal officials and planning practitioners fresh perspectives that contradict much of the prevailing understanding of boundary adjustments Contributors Sandeep Agrawal Cody Gretzinger John Heseltine John Meligrana Jordan Rea Amrita Singh Jon Taylor Zack Taylor Afterword by Andrew Sancton
