Alcohol Use And Alcoholism A Guide To The Literature:

Drinking In America Mark Edward Lender, James Kirby Martin, 1987-05-22 Newly revised and updated this engaging narrative chronicles America's delight in drink and its simultaneous fight against it for the past 350 years From Plymouth Rock 1621 to New York City 1987 Mark Edward Lender and James Kirby Martin guide readers through the history of drinks and drinkers in America including how popular reactions to this ubiquitous habit have mirrored and helped shape national response to a number of moral and social issues By 1800 the temperance movement was born playing a central role in American politics for the next 100 years equating abstinence with 100 proof Americanism And today the authors attest a neotemperance movement seems to be emerging in response to heightened public awareness of the consequences of alcohol abuse

Handbook of Empirical Social Work Practice, Volume 1 Bruce A. Thyer, John S. Wodarski, 1998-01-29 Covers clinically effective treatments for over twenty of the major mental behavioral and emotional diagnoses in the DSM IV The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume Handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume One covers clinically effective treatments for over twenty of the major mental behavioral and emotional diagnoses in the DSM IV TM including Disorders typically diagnosed in infancy childhood or adolescence Substance related disorders Schizophrenia and other psychotic disorders Mood and anxiety disorders Sexual and eating disorders Personality disorders With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today's clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of Empirical Social Work Practice

Manual of Drug and Alcohol Abuse A. Arif, J. Westermeyer, 2012-12-06 During the last

few centuries and particularly in recent decades problems resulting from the excessive use of drugs and alcohol have spread virtually as an epidemic to every country in the world and to almost every community. Abuse of alcohol and drugs is related to numerous other health problems such as the spread of acquired immune deficiency syndrome (AIDS) on all continents. Health and social services today cannot afford to ignore this crisis since it affects all levels of society and manifests itself in diverse health and social problems. In recent years the World Health Organization has received numerous requests for training material for physicians in this field. This manual therefore meets an urgent need. The availability of new data and the dearth of suitable textbooks have made its preparation mandatory. The influence of sociocultural factors on drug dependence and alcohol-related problems on their cause, development and consequences as well as on their treatment and prevention has been taken into account in the preparation of this manual in order to ensure that its usefulness is not limited to one country or region. It has been prepared primarily for the teaching of physicians and medical students although much of it is relevant to the training of nurses, midwives, health educators, primary care workers, medical social workers, counselors and psychologists. In fact suggestions have been included for adapting the manual for use in the training of such varied groups of students.

Handbook of Alcoholism Gerald Zernig, Alois Saria, Martin Kurz, Stephanie O'Malley, 2000-03-24. While the war on drugs continues to attract world attention it is often overlooked that alcoholism remains a major worldwide health concern. No matter what your expertise the CRC Handbook of Alcoholism can help you acquire the necessary skills to treat problem drinkers and alcohol dependent patients. In three sections: Patient Care, Research, *Treatment Matching in Alcoholism* Thomas F. Babor, Frances K. Del Boca, 2003. Project MATCH was a large scale treatment evaluation study established by the U.S. National Institute on Alcohol Abuse to determine whether the treatment of alcoholism could be improved by matching different types of alcoholics with the most appropriate kinds of treatment. This book edited by the two principal investigators is the first comprehensive report of Project MATCH the largest alcoholism treatment study ever conducted. It describes the rationale, methods, results and implications of the study and presents new findings about how treatment works for whom it is

most effective and who does best in different kinds of treatment It also offers some of the first scientific evidence of the effectiveness of Alcoholics Anonymous DEGR **The Project Share Collection** ,1976 Cumulates abstracts which appeared in Journal of human services abstracts **Catalog [of] Publications** United States.
