Allistar Kurt W. Aigner,1985-02-01 **The Publishers' Trade List Annual** ,1985 **Science Fiction in Print**
Charles N. Brown,William Contento,1986 The Cumulative Book Index ,1985 A world list of books in the English language
Magic Is A Birthright VINCENT GILVARRY,2025-03-27 In the summer of 2024 a struggling German publisher Marianna Bekendorpe finds an ancient book in a bookstore in Paris one that transports her into a sixth century tale about a young magician called Alastair Thorne a prot g of the famous mage Merlin Ambrosius Accompanied by his best friends Alastair embarks on a magical mystery tour a transformative journey to spread the word that magic is the birthright of all And wherever they go they inspire hope and sometimes skepticism This story which has been lost for centuries resurfaces in Marianna s hands And with the assistance of her talented production team she transforms this tale and republishes it with a different title Marianna s company desperately needs a bestseller and she is taking a big risk with this story But she is hoping that this wonderful tale will find its way into the hearts of a modern day audience And after the book is released the reviews are exactly what she wants to hear This is an enthralling read Alastair s story is a modern day odyssey one reviewer says This story is transformative says another This is a story that captures the very essence of magical realism a third critic enthuses The fog of the mundane has dulled the lives and spirit of so many people but Alastair s vision manages to pierce the invisible veil with his luminous message It transcends boundaries It has sprouted wings It has taken flight and it has found its way into the hearts of those it was meant to inspire It is almost as if an ancient prophecy has been fulfilled and a tale about an apprentice of Merlin embarks on a very different sort of odyssey Alastair s belief in the transformative power of magic resonates deeply with a new generation of readers and it was all because a desperate publisher took a punt and brought a sixth century story to life and offered it to a modern public Books in Print ,1987 **Shadow Genesis** Ricky Thomas Jr.,2010-04-23 Welcome to the Shadow Realm a realm of eternal night Now under the new and graceful order of Malice Khan the dawn of a new era now emerges Daughter of former king Darkerage a powerful and tyrannical king all of Shadow Realm knows the dangers that come to those who act against her However while there are those who swear allegiance to her every will there are others willing to defy and overthrow her from birthright Sensing the coming change as Malice Khan brings her people solace throughout a once chaotic and darker than dark world enemies of old and new rise from the deepest of shadows in hopes to end her reign and bring back the darkness that Malice has fought hard to renew This may be a much more easier task for her unyielding foes for a devious entity awaits in a world which ties have once entwined with the world of Shadow Realm itself *Whispers of the Enchanted Isle* Brandon Rowell,2025-01-06 Prince Alistair of Elaria lives a life dictated by tradition and duty the weight of his kingdom s expectations pressing heavily on his shoulders The fragile peace between his people and the mysterious fae of the Enchanted Isles has been deteriorating with both sides teetering on the brink of war While exploring the mystical boundary known as the Rift Alistair unexpectedly encounters Lyra a fierce and

passionate fae warrior Their chance meeting sparks an undeniable connection that challenges everything they have been taught to believe about each other's worlds As tensions between humans and fae escalate Alistair and Lyra find themselves caught in the crossfire of a conflict neither of them wants Their bond deemed forbidden by both realms grows into a love that defies prejudice and tradition Together they begin to see a glimmer of hope for unity in a world torn apart by fear and misunderstanding But their journey is far from simple as they strive to bridge the divide between their peoples a sinister force emerges from the shadows feeding on the discord and threatening to destroy what little peace remains To save their realms Alistair and Lyra must confront not only external threats but also their own biases and fears Their love becomes a catalyst for change inspiring others to question the long standing divisions between magic and mortal However the cost of peace is steep and their journey is fraught with trials sacrifices and heartbreak Whispers of the Enchanted Isles is a tale of passion resilience and the transformative power of love in the face of overwhelming odds reminding us that even in the darkest times unity and understanding can shine as the brightest beacons of hope Transactions of the Gaelic Society of Inverness Inverness Gaelic Society,1997 List of members in each vol *Good Words and Sunday Magazine* ,1910
