Futuristic and Linguistic Perspectives on Teaching Writing to Second Language Students Hancı-Azizoglu, Eda Başak, Kavaklı, Nurdan, 2020-12-11 The aptitude to write well is increasingly becoming a vital element that students need to succeed in college and their future careers. Students must be equipped with competent writing skills as colleges and jobs base the acceptance of students and workers on the quality of their writing. This situation captures the complexity of the fact that writing represents higher intellectual skills and leads to a higher rate of selection. Therefore, it is imperative that best strategies for teaching writing speakers of other languages is imparted to provide insights to teachers who can better prepare their students for future accomplishments. *Futuristic and Linguistic Perspectives on Teaching Writing to Second Language Students* examines the theoretical and practical implications that should be put in place for second language writers and offers critical futuristic and linguistic perspectives on teaching writing to speakers of other languages. Highlighting such topics as EFL/ESL composition, digital storytelling, and forming identity, this book is ideal for second language teachers and writing instructors as well as academicians, professionals, researchers, and students working in the field of language and linguistics.

Critical Thinking Through Reading and Writing' 2007 Ed. (de la Salle) , *Around the Texts of Writing Center Work* R. Mark Hall, 2017-05-01 *Around the Texts of Writing Center Work* reveals the conceptual frameworks found in and created by ordinary writing center documents. The values and beliefs underlying course syllabi, policy statements, website copy, and comments, assessment plans, promotional flyers, and annual reports critically inform writing center practices, including the vital undertaking of tutor education. In each chapter, author R. Mark Hall focuses on a particular document. He examines its origins, its use by writing center instructors and tutors, and its engagement with enduring disciplinary challenges in the field.
