

Almost Heaven

Michael Freiling

Almost Heaven:

Merchant Vessels of the United States, 1989 **The Land That Gives and Takes Away** Erin McCarty, 2004-06 The Land That Gives and Takes Away offers a portrait of Central Pennsylvania's Little Pine Valley through poetry and prose Drawing on her own memories and observations as well as the reflections of others Erin McCarty seeks to honor her rich heritage and share with others the beauty of the valley where her grandmother grew up which now serves as the location for her yearly family reunions Over the course of the collection McCarty introduces eclectic family members lush landscapes and unusual incidents with a mix of solemn reflection and light hearted whimsy Read about secretly rich bachelor farmers campground bear encounters mischievous cousins and winding trails through mountain and stream in this volume that celebrates the connection one family has with the land of its roots **Bunker** Bradley Garrett, 2021-08-03 Thought provoking and eerily prescient bunker offers a whirlwind tour of prepper communities around the world In the United States alone nearly twelve million people are prepared to Survive for thirty days without access to food water or power Millions more have started prepping for the sorts of emergencies blackouts wildfires civil unrest that they hear about in the news every day Bradley Garrett crossed four continents to meet preppers building panic rooms and backyard survival chambers stockpiling supplies stuffing go bags hiding inflatable rafts rigging mobile bugout vehicles and burrowing deep into the earth He's taken the pulse of a new global movement and returned with a brilliant original and deeply disturbing diagnosis of the way we now live Whenever social and political systems fail to produce credible narratives of stability Garrett argues prepping is a rational response And those who live in dread of the next pandemic of nuclear brinksmanship or of an accelerating climate crisis are responding to it predictably reasonably even by hunkering down Book jacket **Congressional Record** United States Congress, 1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Political Encyclopedia of U.S. States and Regions** Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics **Run for Your Life** Raymond Ten Eyck, 2019-10-28 Run for Your Life A Guide to Street and Road Running humorously compares and contrasts running in urban and rural environments The book will inspire beginning runners while veteran runners will also find it funny familiar and interesting As Stupido Ray recounts many of his own amusing running episodes using his experiences as guidelines for others to enjoy the thrills of running while at the same time avoiding some common road hazards The alluring tourist routes of Washington D C and the exciting vistas of wild and

wonderful West Virginia are explored as readers learn how to maximize running pleasure in both rural and urban areas Run for Your Life details how to run safely in high traffic areas and on dangerous city streets It also provides basic rules of thumb for running up steep hills around dangerously sharp curves and on lonely country roads that often have little or no shoulders Readers will learn how to maximize their running pleasure while minimizing physical and environmental hazards This funny and easy to read book is great for runners would be runners and non runners of all ages *Casting Off* Emma

Bamford,2015-03-31 Sun sea and gorgeous sailors the route to happiness surely After an early mid life crisis Emma leaves her highly stressed fast paced life as a journalist on the Independent for a sailing adventure and finds that it is possible to find fulfillment and love on your own terms [Tales from the Addict Files Volume 3](#) King Khan,2019-02-15 The WOMB is a

love story and murder mystery that begins with two lovers Jerome Bland and Wanda Cummings both in their early thirties who are homeless and hooked on drugs The two decide to get off drugs and clean up their lives by entering a rehab located in one of the most notoriously dangerous neighborhoods in Washington D C called the WOMB In the WOMB the lovers quickly realize their relationship is expressly forbidden But the intense closeness of the setting increases their longing for one another so much that when the first opportunity arises they release their unrequited passion in a furious bout of lovemaking Found out and ejected from the program they go their separate ways but are eventually reunited by drugs Their daily struggle to transcend addiction is played out with a murder mystery in the background a mystery that threatens both their lives and those who were in the program with them After an attempt on his life Jerome decides to fight back What follows is a cat and mouse game that climaxes in one of the most devastating and disastrous events in the history of the Nations Capital *Magic, Mystery, Adventure* Grandma Dorothy,2009-11 This book was written for Children who love to read Parents looking for a bedtime story Teachers who enjoy reading to their pupils All story tellers who enliven the action with voice inflection and gestures

The Unnaming of Aliass Karin Bolender,2020 The Unnaming of Aliass performs a paradoxical quest for wildly untold stories in the company of one special donkey companion a femammal of the species Equus asinus and significantly a registered American Spotted Ass Beast of burden that she is this inscrutable companion helped carry a ridiculous load of human longings and quandaries into a maze of hot harrowing miles across the US South from Mississippi to Virginia in the summer of 2002 all the while carrying her own onerous and unreckoned burdens and histories Over two decades the original journey evolved from the cracking open of a quasi Western novel that never was by an implosive pun into an ongoing philosophical and assthetic adventure a hybrid roadside and barnyard based living art practice wherein Aliass un names something much harder to grasp than the body of a lovely little ass protagonist setting and traditional Western narratives turn inside out around this name that ain t Through a deeply dug in questioning of its own authorial assumptions The Unnaming of Aliass makes space for untold autobiographies and bright dusty lacunae tracing ineffable tales through the tangled shapes and shadows that interweave in any environment **The Untimely**

Resurrection of John Alexander MacNeil Lesley Choyce, 2023-09-28T00:00:00Z John Alexander MacNeil is back with another astonishing adventure The ninety year old still lives alone on the blessed isle of Cape Breton He still sometimes makes tea for his wife who died decades ago He accepts his lonely life ignoring the world changing around him But one night he feels his heart stop After willing himself back to life with sheer stubbornness John Alex finds Death himself sitting at his kitchen table perplexed and intrigued by his victim's recovery What follows is a tale on the edge of reality full of love doubt and the inexplicable details of an extraordinary life Keeping what wits he has about him John Alex needs to muster all the wisdom and courage he has to protect those around him from the dangers of an ever changing world and the grim reaper he has come to know In his 103rd book acclaimed author of *The Unlikely Redemption* of John Alexander MacNeil takes the reader through another beautiful adventure about time and love Lesley Choyce tackles topics like dementia elder sexuality and assisted dying with humour and grace

The Enemy Within Gregory A. Helle, 2004-07 Why would you want to read this book There are several reasons First of all it is my hope that victims of all types of traumas whether war related or not can find some comfort in these pages If you are a victim of PTSD you need to know that there is hope for a better quality of life That is one of the core messages in this book There is no cure for PTSD but through medications and counseling it is possible to exercise more control over the illness But you must take the first step and be your own best advocate You will hear me say this more than once If you do not advocate for your own needs it is unlikely that you will achieve your goals I hope that some of the information in these pages will guide PTSD victims to seek the help they need I feel this book also has much to offer those who don't suffer from PTSD It is the story of how a normal eighteen year old farm boy from a small town in Iowa went to war and over thirty years later at the age of fifty two became totally disabled with PTSD It is my hope that this will help the public understand not only Vietnam vets but also vets from all wars as well as victims of other traumas such as I mentioned above There are so many fears that hold PTSD victims back from seeking help or even admitting to themselves that they need help Even though all those around them can see the changes in the victim it is hard for the victim to admit a problem They see themselves as having some kind of mental illness Victims are often paranoid and worry about what others are thinking or saying about them even those people who have no inkling that there is a problem Sometimes it can seem to the victim that everyone knows there is something wrong and that everyone is talking about him or her The public must become aware of the disease and offer compassion rather than rebuke Vietnam vets in particular have been a source of fear in the general public The media has exacerbated this situation by its frequent portrayal of the vet as an imbalanced rage filled time bomb just waiting for the circumstances that will set him off Perhaps this has made for some entertaining movies but it has also kept many veterans from seeking the help they needed lest they find themselves branded with this ugliest of clichés Even if the victim knows there is a problem it is so difficult to ask for help especially from a government that loaths to acknowledge the existence much less the debilitating nature of this disorder It should come as no surprise then that many

victims do not want anyone to know about their weakness Very simply it is time to end the silence and the shame I realize that parts of this book will be difficult for the public to read Reading a true account is not at all the same as watching violence on TV or at the movies In these situations the dead are not really dead and the cast is not really experiencing the events being portrayed It is much more difficult when the dead stay dead bodies are permanently mutilated and the effects of the war will stay forever with those who experienced them The violence presented in modern entertainment should be taken as it is intended though sometimes the level of violence in our entertainment is disturbing True violence should be taken very seriously because it can happen to any one of us at war or at home Where a particularly violent movie can leave one unsettled for a day or so actually living through a violent situation can produce a nightmare that lasts a lifetime I do not intend for this book to be political nor do I want it to be an attack on the Department of Veteran Affairs VA However I do believe that the policies enacted by the government have played a significant part in weaving the intricate web of my life Nor do I intend this to be a self help book PAST DIFFICULTIES, FUTURE SUCCESS Phyllis Bawar-Jerabek,2013-05-02 Like many families today I have lived through the current recessions Through it all I have not only survived I have thrived It occurred to me that I ve learned many life lessons that I can impart not only to my family but to younger generations For this reason I want to share my story the story of my family Homegrown Gurus Ann Gleig,Lola Williamson,2013-11-01 Exploring homegrown movements and figures proclaims American Hinduism as a distinct religious tradition Today a new stage in the development of Hinduism in America is taking shape After a century of experimentation during which Americans welcomed Indian gurus who adjusted their teachings to accommodate the New World context American Hinduism can now rightly be called its own tradition rather than an imported religion Accordingly this spiritual path is now headed by leaders born in North America Homegrown Gurus explores this phenomenon in essays about these figures and their networks A variety of teachers and movements are considered including Ram Dass Siddha Yoga and Amrit Desai and Kripalu Yoga among others Two contradictory trends quickly become apparent an increasing Westernization of Hindu practices and values alongside a renewed interest in traditional forms of Hinduism These opposed sensibilities innovation and preservation radicalism and recovery are characteristic of postmodernity and denote a new chapter in the American assimilation of Hinduism In Search of a Perfect World Michael C. Sullivan,2005-05 In Search of a Perfect World examines the basic questions of human life on Earth Who are we Where did we come from Why are we here And where are we going In attempting to answer these questions humans have formed religious social and political groups and launched wars to remove impediments to their visions of a more perfect world Intentional or utopian communities have been similarly inspired Throughout the world many cultures have maintained a belief that the world was once a better more harmonious place and and will be again after some form of cataclysm and the arrival of a savior or redeemer This phenomenon in some societies is known as millennialism **Creating Economic Growth and Jobs Through Travel and Tourism** West Virginia

University, 1981 Stricken, Smitten and Afflicted George Zoeb, 2020-04-17 Stricken Smitten and Afflicted By George Zoeb

It's sort of a *Gone With The Wind* only with a lot more romance action and many soul searching questions about racism that leaves the reader musing the horrors of this evil over many generations The two simultaneously told stories of Donna Washington entering a segregated high school in 1965 and her great great grandmother Anita Ann on a plantation outside Atlanta in 1860 brings you face to face with the Ku Klux Klan and plantation slavery in one big heart pounding ride of a read Zoeb leaves us to think deep and long about this story as it often matches our own journey for meaning love and understanding Mix a little *Fifty Shades of Gray* with a good Tom Clancy action drama and off you go on a rollercoaster ride of pure pleasure With two stories being simultaneously told in different time periods the powers of love are tested With racism at its worst and highest during two periods in history different couples show what the powers of love can do to fight the terrible effects of racism **In My Father's Garden** Michael Freiling, 2002-12 *The Oxford Handbook of Millennialism* Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures *Fundamentalism in America* Philip Melling, 2013-12-02 This important book challenges the idea that religious fundamentalism can adequately be understood as a paranoid xenophobic faith It demonstrates instead how it draws upon a long tradition of evangelical and millennialist scripture in its engagement with issues at the spiritual and ethical core of postmodernity in the United States The author examines the varieties of fundamentalism as they appear in prophecy sermon film and fiction In its wide ranging consideration of the rhetoric of the New World Order the literature of prophecy Cold War films television evangelism cross border texts and post nationalist writing *Fundamentalism in America* provides a vital and compelling account of the present state of religious and nationality identity in the United States

Whispering the Strategies of Language: An Emotional Journey through **Almost Heaven**

In a digitally-driven world where displays reign great and quick conversation drowns out the subtleties of language, the profound secrets and mental subtleties concealed within words often go unheard. Yet, nestled within the pages of **Almost Heaven** a captivating literary treasure blinking with fresh emotions, lies an exceptional quest waiting to be undertaken.
