Alphabets And Reading The Initial Teaching Alphabet:

Alphabets and Reading Sir James Pitman, John Richard St. John, 1969 *Evaluating the Initial Teaching Alphabet* John A. Downing, William Latham, 1967 **Library of Congress Subject Headings** Library of Congress, 2010 **Dictionary of British Educationists** Richard Aldrich, Peter Gordon, 2016-04-01 This dictionary provides the reader with an easily accessible guide to the biographies of approximately 450 educationists It covers the period from 1800 to the present day and includes a wide range of people who were active in promoting education at different levels **Research in Education**, 1974 The Great Reading Disaster Mona McNee, 2012-02-20 By the late 1980s half the nation's children were receiving eleven years of progressivist schooling that failed to give them even the elementary basis of education that was completed by the age of seven in earlier days This great reading disaster was caused by the look say method of teaching which presented whole words not individual letters This book explains the causes and provides the solution to this problem In 2006 the Secretary of State for Education and Skills has ordered schools to use the phonic method but there seems little evidence that its implications are properly understood or that any serious re training programme for teachers is being put in place The authors believe their explanations and recommendations in this book are thus needed just as much as ever *Resources in Education*, 1990 *Needs of Elementary and Secondary Education for the Seventies* United States. Congress. House. Committee on Education and Labor. General Subcommittee on Education, 1970 *Hearings, Reports, Public Laws* United States. Congress. House. Committee on Education and Labor, 1967 *Technical Writing*, *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office, 2009 *Alphabets for English* William Haas, 1969

Some Approaches to Reading Nila Banton Smith, Ruth Gertrude Strickland, 1969 The 1960s saw an explosion of ideas in education promulgated at conferences in the media and by teachers themselves The first part of the book offers an examination of several new strategies for teaching reading The second part examines the difference between teaching children how to read and turning children into readers **Education** Douglas Foskett, Joy Foskett, 2011-08-02 The Bliss Bibliographic Classification Association is an association of users and supporters of the Bibliographic Classification The association promotes the development and use of classification publishes official amendments enables users to keep in touch and exchange experience and gives them a say in the future of the scheme It is a non profit organization founded in 1969 with members all over the world Each of the following schedules is the result of a rigorous and detailed analysis of the terminology of the field in question using the techniques of facet analysis **Reading Instruction in America** Barbara Ruth Peltzman, 2015-10-02 The diversity of student populations in the United States presents educators with many challenges To provide effective reading instruction for the individual student teachers must understand the enormous variety of reading methods and materials that exist and make independent decisions based on their students particular needs Research indicates that educators are often influenced by reading instruction fads that quickly fade making it more challenging to

develop a repertoire of teaching strategies in which a teacher may have confidence This book examines a variety of reading methods used in American schools from the 19th to the 21st century and the literature promoting or critiquing them to help teachers become informed decision makers and better meet the needs of students *OE [publication]* ,1967 **Office of Education Research Reports** Educational Resources Information Center (U.S.),1967 Office of Education Research Reports, 1956-65, ED 002 747-ED 003 960 Educational Research Information Center (U.S.),1967 Office of Education Research Reports, 1956-1965 United States.
