Alternate Generals II Alternate Generals:

Alternate Generals II Harry Turtledove, 2002-07-01 LEADERSHIP MAKES ALL THE DIFFERENCE as history demonstrates But there are other factors at work Would Sir Francis Drake have as easily put paid to the Spanish Armada if a typhoon hadn't softened up the enemy first What if history were given a twist or two and great commanders on land and sea had more or fewer forces better or worse weather quicker or slower communications better supplies or none at all Just suppose for example General Billy Mitchell had not been court martialed for advocating air power and happened to be leading training flights of warplanes at Pearl Harbor in December 1941 As it happens to find out the answer to that question pick up the first book in the series Alternate Generals from Baen This new volume has even more fascinating speculations in alternate history science fiction turning history upside down and inside out as leaders who have made their mark on our history make different marks in a very different world The possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management Alternate Generals Harry Turtledove, Roland J. Green, 1998 **The Time of Troubles II** Harry Turtledove, 2005-09-01 Abrivard marshal of Makuran has been given an impossible task by his King destroy the mighty Empire of Videssos Even as he pondered how to obey Videssos's legions are on the march attacking Makuran first Abrivard finds himself fighting a defensive war putting his great battle skills to the task of driving the invaders from his home the land of the Thousand Cities But even as he struck back at the invader he realized that force of arms alone would not carry the day for Videssos's powerful sorcerers were the stuff of legend and a strong sword alone could not stand against a potent battle spell which could strike the mightiest warrior dead from miles away At the publisher's request this title is sold without DRM Digital Rights Management *Alternate Generals III* Harry Turtledove, 2005-04-01 Once Again Great Leaders Make Great History but Not History as We Know It History shows that leadership is crucial in war but there are other factors at work What if history were given a twist or two and great commanders on land and sea fought their greatest battles under different circumstances Suppose General Douglas MacArthur had been captured before he could escape from Manila and became a prisoner of war Suppose Joan of Arc had not been burned for heresy and had gone on to lead France to very different victories Suppose Genghis Khan had been a convert to Judaism and his horde had fought for a different cause than in our universe Turtledove and his colleagues turn the past upside down and inside out and the possibilities are endless At the publisher's request this title is sold without DRM Digital Rights Management ,
