is a poet wildlife photographer and painter who because of his passionate interest in Reflux Disease launched the CARD Charity in 2010 Through his collection of poems that encompass myriads of subjects he has tried to look for the underlying meaning of life and seek the truth and hopes that his efforts will trigger the same emotions in the reader **Never Enough Zeroes** Joel Soper, Philip Wyeth, 2022-04-28 Confessions of a Sports Bettor When Joel Soper placed his first sure thing bet at the Detroit Race Course back in 1987 he never imagined that such an innocent gesture might lead him down the path to gambling addiction But now after tossing millions of dollars into the bonfire of unfulfilled dreams Joel is stepping out of the shadows to bare his soul about the realities of compulsive sports betting Never Enough Zeroes is an unflinching and searing portrayal that exposes the all too human foibles of a man trapped on the treadmill of obsession Co author Philip Wyeth captures the essence of Joel s tortured existence by telling his unforgettable life story with compassion humor and literary flair The result is a memoir that will touch readers from all backgrounds as it throws a lifeline to anyone caught in the relentless undertow of addiction who also dreams of creating a better version of themselves I ve made millions of dollars with my silver tongue but it always just slips through my fingers As more states legalize gambling across the nation Joel s story is

an especially timely warning about this scourge where losses often extend beyond money into broken relationships and mental health issues The proliferation of live betting has the potential to turn a generation of unwitting sports fans into nothing more than rats frantically tapping their phone screens for the next dopamine rush This book is a call to action It raises a banner of hope amid a sea of desperation and signals the start of a new alliance which is weaving a safety net so that addicts of all stripes might never hit rock bottom again As Joel continues his difficult journey as a work in progress he hopes that *Never Enough Zeroes* will be a worthy addition to the self help canon as well as a companion piece to the mental health professional's bookshelf If you know you're powerless over gambling how can you make gambling powerless over you

Hooley,1997 D M Hooley has now reexamined Persius in light of developments in contemporary critical thinking particularly that which builds upon classical imitation theories Addressing each of the six Satires as well as the introductory Choliambics Hooley contends that one of the most conspicuous features of Persius' verse its allusiveness is a key to this desiderated view The long recognized exceptionally high frequency of imitations of and allusions to the works of Horace and others can be seen not as a mark of artistic immaturity but as a technique intended to engage other voices in the expression of a poem's meaning Seen as an aspect of structural and thematic strategy the pattern of Persius' engagement with the words of other poets reveals a remarkable and hitherto unregarded coherence in the Satires *Revelations of the Fallen* D. E. Phoenix,2012-10 Revelation of the fall The Blasphemy of Astrial Belthromoto The name of the book is called Revelation of the Fallen The Blasphemy of Astrial Belthromoto The story begins at the end of creation the end of our lives in
