

Ama tu ritmo

--Rubén Darío--

*Ama tu ritmo y ritma tus acciones
bajo tu ley, así como tus versos;
eres un universo de universos
y tu alma una fuente de canciones.*

*La celeste unidad que presupones
hará brotar en ti mundos diversos,
y al resonar tus números dispersos
pitagoriza en tus constelaciones.*

*Escucha la retórica divina
del pájaro, del aire y la nocturna*

Ama Tu Ritmo:

Beyond the Glitter Rosemary C. LoDato, 1999 The influence of the plastic arts especially painting and sculpture upon the Hispanic literary movement known as Modernismo is well documented Although numerous studies have referred to gems Beyond the Glitter focuses upon the significance of gems and jewels in elaborating Modernismo's complex aesthetics The role of gems and jewelry is discussed in the poetics of three prominent Modernista writers Ruben Dario Ramon del Valle Inclin and Jose Asuncion Silva The conclusion underscores how the rich and varied symbolism associated with jewelry and precious gems enriched the poetics of Modernista writers because it enabled them to articulate their quest for ideal beauty expressive of a sublime state of mind and spirit

Rubén Darío and the Romantic Search for Unity Cathy L. Jade, 2014-07-03 Modernism was the major Spanish American literary movement of the late nineteenth and early twentieth centuries Leader of that influential movement was Rubén Darío the Nicaraguan now recognized as one of the most important Hispanic poets of all time Like the Romantics in England and the Symbolists on the Continent Darío and other Modernists were strongly influenced by occultist thought But as the poet Octavio Paz has written academic criticism has preferred to close its eyes to the stream of occultism that runs throughout Darío's work This silence damages our comprehension of his poetry Cathy Login Jade's groundbreaking study corrects this critical oversight Her work clearly demonstrates that esoteric tradition is central to Modernism and that an understanding of this centrality clarifies both the nature of the movement and its relationship to earlier European literature After placing Modernism in a broad historical and literary perspective Jade examines the impact of esoteric beliefs upon Darío's view of the world and the role of poetry in it Through detailed and insightful analyses of key poems she explores the poet's quest for solutions to the nineteenth century crisis of belief The movement that Rubén Darío headed brought Hispanic poetry into the mainstream of the modern tradition with its sense of fragmentation and alienation and its hope for integration and reconciliation with nature Rubén Darío and the Romantic Search for Unity enriches our understanding of that movement and the work of its leading poet

Selected Writings

Ruben Dario, 2005-12-06 Born in Nicaragua Rubén Darío is known as the consummate leader of the Modernista movement an esthetic trend that swept the Americas from Mexico to Argentina at the end of the nineteenth century Seeking a language and a style that would distinguish the newly emergent nations from the old imperial power of Spain Darío's writing offered a refreshingly new vision of the world an artistic sensibility at once cosmopolitan and connected to the rhythms of nature The first part of this collection presents Darío's most significant poems in a bilingual format and organized thematically in the way Darío himself envisioned them The second part is devoted to Darío's prose including short stories fables profiles travel writing reportage opinion pieces and letters A sweeping biographical introduction by distinguished critic Ilan Stavans places Darío in historical and artistic context not only in Latin America but in world literature For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Delmira Agustini, Sexual Seduction, and Vampiric Conquest**

Cathy L. Jrade, 2012-07-10 Delmira Agustini 1886 1914 has been acclaimed as one of the foremost modernistas and the first major woman poet of twentieth century Spanish America Critics and the reading public alike were immediately taken by the originality and power of her verse especially the aggressively sexualized perspective never before found in texts written by Spanish American women Agustini sought like the men around her to free herself and her writing from traditional sexual limitations Even more daringly she responded to their language with her own feminized discourse developing an innovative way of expressing her sexual and artistic expressions Book jacket Jardines de la Elegancia

Nuestros días en Bravelands Paula Gallego, 2021-06-14 Izzy encontró Bravelands por casualidad y ya no pudo despedirse de sus bosques sus leyendas y su otoño casi perpetuo William se enamoró de una sonrisa hace años y ahora cuando una serie de decisiones terribles lo han empujado a huir de su hogar ha decidido buscarla incluso si sabe que es posible que ella no lo recuerde Cuando por fin se reúne con Izzy sin embargo el príncipe lo asalta y finge ser el quien la ha olvidado Izzy intenta averiguar qué es lo que ha empujado a William a escapar a Bravelands William debe decidir cuántos secretos quiere esconder y ambos tendrán que conocerse de nuevo esta vez de verdad mientras dure el otoño Cuarenta y cinco poemas Rubén Darío, Oscar Rodríguez Ortiz, 1994 *Cartografía poética* Anthony L. Grigsby, 2024-06-13 A long overdue examination of Rubén Darío's multilingual work and influences alongside the contexts and politics of canonization in world literature Rediscovering Rubén Darío through Translation addresses the peculiar obscurity of Darío by asking these questions How can one of the most important writers of a major world language be almost entirely unknown in the English speaking world How is it that other writers of the same language e.g. Lorca or García Márquez achieve widespread recognition in the anglophone world while he remains unnoticed What role does translation play in this What can it tell us about the way in which world literature is articulated Carlos F. Grigsby approaches Darío's oeuvre through translation In doing so he explores not only the place of Darío in the translation of Spanish American literature into English but also the place of translation in Darío's own writing The result is a double-sided painting as it were the recto is titled Translation in Darío and the verso Darío in Translation This book challenges the field of world literature by revealing some of the biases present in its representation of Spanish American literature It adopts a multilingual framework chiefly using

English Spanish French and to a lesser degree Latin and Catalan in analyzing Dar o s writing alongside that of his contemporaries As a result it reveals the multilingualism of Dar o s own writing opening new avenues for the study of his work and of Spanish American modernismo more generally **New World Literature** Arturo Torres-Rioseco,1949
