WHAT IS GOD'S WILL FOR AN EIGHTY-PLUS-YEAR-OLD PREACHER? David Savage, 2013-08 In these eighty one years I have lived here on earth and the fifty two years I have been blessed to preach the gospel from coast to coast preaching here and there from east to west from north to south traveling by auto and airplane and I ask myself after all these years how did I make it and every time it come back to me By the Grace of God I have never considered myself as one that is smart and the Lord have

allowed me to write this my second book and get them published produce two sermons on DVD and record a CD s with fourteen songs on it after passing out earlier that same day while preaching a sermon so I think this is a great accomplishment for a common everyday preacher from Selma AL with a little education God have been mighty good to me my family and the people I have preached to over the years All of my family of six is dead but my sister and myself and she is eighty years old herself and lives alone It seem that the people of today don t know that God exist and controls everything and that we are on a death wish and a hell scrap the Devil is on a least trying to take over the world and the church all he have to do is get us to shut our mouths and it s a done deal So brother preacher it s time time for us to wake up time to get up time to speak up time to stand up and start talking and living for Jesus This has been my calling and I hope it is yours whether you are in a preaching ministry or not now is the time for all of God s people to tell the story of his suffering under Pilate and on the cross his death his resurrection his ascension to the Father in Heaven and his coming again for those who love him

The Spiritual Rococo Gauvin Alexander Bailey, 2017-07-05 A groundbreaking approach to Rococo religious d r and spirituality in Europe and South America The Spiritual Rococo addresses three basic conundrums that impede our understanding of eighteenth century

aesthetics and culture Why did the Rococo ostensibly the least spiritual style in the pre Modern canon transform into one of the world s most important modes for adorning sacred spaces And why is Rococo still treated as a decadent nemesis of the Enlightenment when the two had fundamental characteristics in common This book seeks to answer these questions by treating Rococo as a global phenomenon for the first time and by exploring its moral and spiritual dimensions through the lens of populist French religious literature of the day a body of work the author calls the Spiritual Rococo and which has never been applied directly to the arts The book traces Rococo s development from France through Central Europe Portugal Brazil and South America by following a chain of interlocking case studies whether artistic literary or ideological and it also considers the parallel diffusion of the literature of the Spiritual Rococo in these same regions placing particular emphasis on unpublished primary sources such as inventories One of the ultimate goals of this study is to move beyond the cliché of Rococo s frivolity and acknowledge its essential modernity Thoroughly interdisciplinary The Spiritual Rococo not only integrates different art historical fields in novel ways but also interacts with church and social history literary and post colonial studies and anthropology opening up new horizons in these fields

Preacher's Proverbs Pastor Brad Reed, 2023-03-13 Go into the ministry they said It will be fun they said Ministry is not always fun but it is rarely boring Many a young minister has begun only to think later What am I doing here Thankfully there have been older more experienced ministers that have shared their wit and wisdom along the way Some were trying to encourage while others were trying to keep me on track Now after nearly forty years in pastoral ministry I have put some of those bits of wisdom together in this book My hope and prayers are that you will receive the same encouragement and direction that I did through the years I hope that you can find a comfortable place to sit and meet with me as we share about what we are learning through this high calling and great adventure called the ministry

The Farm Press, Reform and Rural Change, 1895-1920 John J.
