She is only known as the girl with the Flamenco Tattoo and she is very dead. Who is she? Where did she come from and how did she end up fully clothed on the shore of a mountain lake? Such are the questions that a small town sheriff with higher aspirations must try and solve when he has no experience whatsoever with murder or anything close to it. And yet if his political dreams are to be realized he must solve the crime that has a ripple effect on a whole lot of locals. As with any town large or small, there are people with dark secrets including everything from a coroner with a former drug habit to a cop who once shot a girl and a wife's dalliances and the town's most powerful man who would like the whole investigation to go away a rollicking ride. A mix of mystery and murder. Bill Brooks has a gift for narrative and his unique phraseology won't go unnoticed. This is a gripping story, suspenseful and utterly engaging.
