Coup Theories And Officers Motives Sri Lanka In Comparative Perspective:

Coup Theories and Officers' Motives Donald L. Horowitz, 2014-07-14 Donald Horowitz presents a case study of an attempted military coup in Sri Lanka. On the basis of interviews with twenty three participants in this attempted coup, a mine of information rarely available for a study like this, he provides first hand evidence of the way officers' motives interact with social and political conditions to foster coup attempts. Originally published in 1981, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Coup Theories and Officers' Motives Donald L. Horowitz, 1980-01-01 **Buddhist Extremists and Muslim Minorities** John Holt, 2016 This collection of essays investigate the history and current conditions of Buddhist-Muslim relations in Sri Lanka in an attempt to ascertain the causes of the present conflict. It is a much needed timely commentary that can potentially shift the standard narrative on Muslims and religious violence.

The Deadly Ethnic Riot Donald L. Horowitz, 2023-11-15 Donald L. Horowitz's comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot: an intense sudden lethal attack by civilian members of one ethnic group on civilian members of another ethnic group. Serious, frequent and destabilizing, these events result in large numbers of casualties. Horowitz examines approximately 150 such riots in about fifty countries, mainly in Asia, Africa and the former Soviet Union, as well as fifty control cases. With its deep and thorough scholarship, incisive analysis and profound insights, *The Deadly Ethnic Riot* will become the definitive work on its subject. Furious and sadistic, the riot is nevertheless directed against a precisely specified class of targets and conducted with considerable circumspection. Horowitz scrutinizes target choices, participants and organization, the timing and supporting conditions for the violence, the nature of the events that precede the riot, the prevalence of atrocities during the violence, the location and diffusion of riots, and the aims and effects of riot behavior. He finds that the deadly ethnic riot is a highly patterned but emotional event that tends to occur during times of political uncertainty. He also discusses the crucial role of rumor in triggering riots, the surprisingly limited role of deliberate organization, and the striking lack of remorse exhibited by participants. Horowitz writes clearly and eloquently without compromising the complexity of his subject. With impressive analytical skill, he takes up the important challenge of explaining phenomena that are at once passionate and calculative. Donald L. Horowitz's comprehensive consideration of the structure and dynamics of ethnic violence is the first full scale comparative study of what the author terms the deadly ethnic riot: an intense sudden lethal attack by civilian members of one ethnic

Democratization in Africa Larry Diamond, Marc F. Plattner, 2010-03-29 Weiss, Christopher Wyrod, Daniel J. Young

Ethnicity and the State Judith D. Toland, 2017-07-28 Modern states have evolved as complex political structures in which unitary forms of government maintain an uncertain equilibrium with ethnically plural societies. Historically ruling elites have tried with little success to eradicate ethnicity through genocide, bury it under accusations of tribalism, discredit it with the mind frame of modernization, or confine it to local rather than national political arenas. This broad ranging volume examines the dynamics of ethnic manipulation and accommodation by dominant and subordinate groups in the state building process. Ethnicity and the State reflects the widely varying political contexts and cultures in which reasons of state contend with unyielding ethnic allegiances. European, South American, Asian, and Middle Eastern examples reveal a consistent set of themes and attitudes. The authors find that while the state must realize its authority and stability through a strictly defined charter of rights and values, ethnic identity exercises its power more freely and flexibly. The sense of peoplehood may be artificially constructed in response to immediate need, or it may be ancient and organic, growing over time. It has the potential to cut across race, class, and gender. Its central tenets and myths may be reinterpreted, recreated, enlarged upon, or modified as the political situation warrants. Flexibility of belief and the need to identify with a larger group account both for the durability of ethnic loyalty and its vulnerability to manipulation. This volume is particularly timely at a moment when national governments in many parts of the world must face the adoption of more equitable forms of rule to hold their ethnically diverse societies together. Taken together, the analyses presented here warn against institutionalizing ethnic strife and offer a vision of how the state may foster expectations and policies that serve the interests of all ethnic groups within their borders. Political scientists, historians, and anthropologists will find this book valuable for its interpretations of forces that continue to reshape the social and political fabric of the world. *Exploring Confrontation* Michael Roberts, 2021-09-01 Sri Lanka has been the meeting point of many ideologies and ways of being. This has spelt heterogeneity, syncretism, and conflict. In drawing upon the practices of empirical research promoted by Western intellectual traditions, the author demonstrates the strengths of these practices through his contextualised engagement with the pogroms of 1915 and 1983, as well as other incidents. At the same time, he delineates some of the limits of empiricist rationality. This book is replete with rich ethnographic detail and serves as an exercise in historical anthropology which illuminates Sri Lanka's political culture. It not only opens out the contrast between Western and Indian world views but also explores the human condition by bringing out the immediacy surrounding acts of victimisation and human beings in conflict. *The Comparative Method and Civil-Military Relations* J. 'Bayo Adekanye, 2024-10-11 Comprising critical writings in civil-military relations theory and research, this book of essays integrates the ideas and insights drawn from political science, particularly its subfields of comparative politics, theory, and methodology, both normative and empirical, with those from the combined disciplines of philosophy of science, history, sociology, and development studies, bringing out the relevance of these ideas and insights for understanding and analysing the issues central to the place and role of military in the Nigerian society. This book will be useful to students, academics,

journalists and activists working on Nigeria in particular and Africa in general Print edition not for sale in Nigeria

Governing Insecurity Gavin Cawthra, Robin Luckham, 2003-04 The authors of this volume explore the challenges of establishing democratic accountability and control over the military and other security establishments in countries which have either been the victims of authoritarian military rule or wracked by violent internal conflict The book examines both successful democratic transitions and failed ones A wide range of cases is covered including Algeria Bosnia and Herzegovina Chile the Congo Ghana Nigeria Sierra Leone South Africa Sri Lanka and Turkey The possible role of regional interventions and institutions notably in West Africa and the Balkans is also examined Sri Lanka James Manor, 2025-09-30 First published in 1984 Sri Lanka In Change and Crisis focuses on two major political events in Sri Lankan history the presidential elections referendum of 1982 and the communal riots of 1983 James Manor's introduction attempts to place these events within an evolutionary analysis of Sri Lankan political history since independence The aim of this collection is not to achieve unanimity but to approach the events in Sri Lanka from a diversity of viewpoints The book discusses themes like plebiscitary democracy or creeping authoritarianism the New Gaullist Bonapartist State in Sri Lanka electoral system change in Sri Lanka the origins and institutionalization of political violence popular perceptions of violence the riots and the Roman Catholic Church in Sri Lanka and Tamils in the aftermath of the violence This is an important historical reference work for the students of political science South Asian politics and South Asian history **The Tamil Separatist War in Sri Lanka** Channa Wickremesekera, 2016-02-26 The complex and long drawn war between the Sri Lankan government and the Liberation Tigers of Tamil Eelam LTTE ended with the defeat of the Tigers in 2009 This book provides a military history of the conflict in tracing its evolution from a battle between a ragtag guerrilla force and a mainly ceremonial army to one between an organized guerrilla force with semi conventional capability and a state military apparatus that had morphed into a large and potent force with modern armour aircraft and naval vessels Using a wide range of sources this book offers an incisive analysis of the progress and conclusion of one of the longest and most destructive wars in modern South Asia Comprehensive and accessible the volume will be of great interest to scholars and researchers of modern South Asia especially Sri Lanka military history politics defence and strategic studies as well as the general reader **Pain, Pride, and Politics** Amarnath Amarasingam, 2015-09-15 Pain Pride and Politics is an examination of diasporic politics based on a case study of Sri Lankan Tamils in Canada with particular focus on activism between December 2008 and May 2009 Amarnath Amarasingam analyzes the reactions of diasporic Tamils in Canada at a time when the separatist Tamil movement was being crushed by the Sri Lankan armed forces and revises currently accepted analytical frameworks relating to diasporic communities This book adds to our understanding of a particular diasporic group while contributing to the theoretical literature in the area Throughout Amarasingam argues that transnational diasporic mobilization is at times determined and driven as much by internal organizational and communal developments as by events in their countries of origin a

phenomenon that has received relatively little attention in the scholarly literature His work provides an in depth examination of the ways in which a separatist sociopolitical movement beginning in Sri Lanka is carried forward altered and adapted by the diaspora and the struggles that are involved in this process **Politics and the Russian Army** Brian D.

Taylor,2003-06-09 Military coups have plagued many countries around the world but Russia despite its tumultuous history has not experienced a successful military coup in over two centuries In a series of detailed case studies Brian Taylor explains the political role of the Russian military Drawing on a wealth of new material including archives and interviews Taylor discusses every case of actual or potential military intervention in Russian politics from Peter the Great to Vladimir Putin Taylor analyzes in particular detail the army s behavior during the political revolutions that marked the beginning and end of the twentieth century two periods when the military was uncharacteristically heavily involved in domestic politics He argues that a common thread unites the late Imperial Soviet and post Soviet Russian army an organizational culture that believes that intervention against the country s political leadership whether tsar general secretary or president is fundamentally illegitimate **Coercion and Governance** Muthiah Alagappa,2001 This far ranging volume offers both a broad overview of the role of the military in contemporary Asia and a close look at the state of civil military relations in sixteen Asian countries It discusses these relations in countries where the military continues to dominate the political realm as well as others where it is disengaging from politics

The Military and Democracy in Asia and the Pacific Ronald James May,Viberto Selochan,2004-03-01 In The Military and Democracy in Asia and the Pacific a number of prominent regional specialists take a fresh look at the military s changing role in selected countries of Asia and the Pacific particularly with regard to the countries performance against criteria of democratic government Indonesia Thailand the Philippines Burma Pakistan Bangladesh South Korea Fiji and Papua New Guinea all fall under the spotlight as the authors examine the role which the military has played in bringing about changes of political regime and in resisting pressures for change **Confronting Past Human Rights**

Violations Chandra Lekha Sriram,2004-08-12 This book examines what makes accountability for previous violations more or less possible for transitional regimes to achieve It closely examines the other vital goals of such regimes against which accountability is often balanced The options available are not simply prosecution or pardon as the most heated polemics of the debate over transitional justice suggest but a range of options from complete amnesty through truth commissions and lustration or purification to prosecutions The question then is not whether or not accountability can be achieved but what degree of accountability can be achieved by a given country The focus of the book is on the politics of transition what makes accountability more or less feasible and what strategies are deployed by regimes to achieve greater accountability or alternatively greater reform The result is a more nuanced understanding of the different conditions and possibilities that countries face and the lesson that there is no one size fits all prescription that can be handed to transitional regimes

World at the Crossroads Philip B. Smith,Samuel E. Okoye,Jaap de Wilde,Priya Deshingkar,2013-11-05 Thirty years ago

the Russell Einstein Manifesto warned humanity that our survival is imperilled by the risk of nuclear war In the spirit of that Manifesto we now call on all scientists to expand our concerns to a broader set of interrelated dangers destruction of the environment on a global scale and denial of basic needs for a growing majority of humankind The Dagomys Declaration 1988 of the Pugwash Council Originally published in 1994 *Civil-military Relations* Peter Karsten,1998 First published in 1999 Routledge is an imprint of Taylor Francis an informa company **No Easy Answers** James Goldrick,1997 This is a book about navies and about navies working with very limited resources in less than ideal circumstances **Lebanon** Adel Beshara,2013-01-11 Lebanon examines the ideological political and social underpinnings of the attempted coup against General Chihab s government in Lebanon in 1961 The author analyzes the role of the Syrian Socialist Nationalist Party the history of the army in Lebanon and its role in Lebanese politics and the impact of the coup on Lebanese political life This book provides an extraordinary insight into the mechanisms of military coups in the Arab world and will be of interest to students and researchers of the history and politics of the Middle East

Coup Theories And Officers Motives Sri Lanka In Comparative Perspective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Coup Theories And Officers Motives Sri Lanka In Comparative Perspective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Coup Theories And Officers Motives Sri Lanka In Comparative Perspective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Coup Theories And Officers Motives Sri Lanka In Comparative Perspective free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Coup Theories And Officers Motives Sri Lanka In Comparative Perspective. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Coup Theories And Officers Motives Sri Lanka In Comparative Perspective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Coup Theories And Officers Motives Sri Lanka In Comparative Perspective Books

1. Where can I buy Coup Theories And Officers Motives Sri Lanka In Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Coup Theories And Officers Motives Sri Lanka In Comparative Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
