The Intercultural Exeter Couples Model Janet Reibstein, Reenee Singh, 2020-12-02 Increase the efficacy of your treatment interventions in intercultural couples therapy The Intercultural Exeter Couples Model Making Connections for a Divided World Through Systemic Behavioral Therapy provides practitioners with a thorough guide to effectively treating intercultural couples The book consists of a systematic effort to translate systemic ideas that take into account a cultural perspective into a highly useable and practical form The Intercultural Exeter Couples Model also attempts to marry two often distinct forms of

practice the systemic and the behavioral Both approaches have much to contribute to effective couples counselling but they are often theoretically siloed This book demonstrates the value of using both approaches simultaneously This book provides concrete and practical strategies for implementing systemic and behavioral approaches to intercultural couples therapy in a manner consistent with clinical best practice Rather than ignoring the significant and complex impacts that differing cultures can have on a relationship The Intercultural Exeter Couple Model puts those differences front and center encouraging the therapist to engage with the cultural mismatch that can be at the core of many couples ongoing friction The book s chapters tackle both the model itself and a variety of interventions covering topics including Teaching couples how to break patterns and prepare them to establish new ones Training couples to communicate effectively Establishing new modes of behavior in couples An explanation of empathic bridging maneuvers A description of the use of life space explorations Perfect for clinicians students and professors interested in or practicing in the field of couples therapy The Intercultural Exeter Couples Model provides readers with an in depth exploration of an increasingly important model of couples therapy and describes in painstaking detail the interventions necessary to achieve positive patient outcomes
