Working with Men Kate Cavanagh, Vivienne E Cree, 2002-09-11 One of feminism's key contributions to improving social work practice has been to expose the gender blindness which has characterized social work policy and literature. *Working with Men* extends and diversifies this contribution by presenting a controversial collection of essays written by feminists about men. In what has been a previously unexplored area of social work, the contributors to *Working with Men*—feminist academics, researchers, and practitioners—explore the issue of feminist practice with men, highlighting the dilemmas which they have encountered in undertaking this work. They contend that for too long feminists have ignored the issue of direct work with men. The argument that men must take responsibility for their own reconstruction, they assert, is no longer sustainable; feminists must generate their own discourse about the nature of men and masculinity derived from their own experience of critically engaging with and challenging men. The contributors conclude that direct work with men is a legitimate feminist activity, that it is one important strand of a broader strategy whose ultimate goal is the empowerment of women. This book will be valuable reading for all students of social work and applied social science, as well as social work practitioners and managers.

A Man in the Making Rick Johnson, 2013-08-15 The transformation from boy into man requires intentional guidance, education, and good role models. As a boy grows toward manhood, his parents can instill in their son the values and character traits needed to succeed in life. Highlighting famous Christian men throughout history and the character trait that made each an outstanding model of manhood, parenting expert Rick Johnson gives moms and dads intentional strategies to help mold their sons into honorable men. The book includes men such as Martin Luther King Jr., George Washington, John Wooden, Abraham Lincoln, Jedediah Smith, Benjamin Franklin, Leonardo da Vinci, and more. With passion and practicality, Johnson covers all aspects of a young man's development, including his work ethic, education, and integrity.

International Encyclopedia of Men and Masculinities, *I Don't Want to Talk About It* Terrence Real, 1999-03-11 A bestseller for over 20 years, *I Don't Want to Talk About It* is a groundbreaking and hopeful guide to understanding and destigmatizing male depression, essential not only for men who may be suffering but for the people who love them. Twenty years of experience treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men that men hide their condition from family, friends, and themselves to avoid the stigma of depression's unmanliness. Problems that we think of as typically male—difficulty with intimacy, workaholic behavior, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only hurt the people men love and pass their condition on to their children. This groundbreaking book is the pathway out of darkness that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own experiences with depression, as

the son of a violent depressed father and the father of two young sons *The Gay Baby Boom* Suzanne Johnson, Elizabeth O'Connor, 2002-03 This book reports the findings of The Gay and Lesbian Family Study the largest national assessment of gay and lesbian headed families It describes exactly what takes place within gay and lesbian headed families across the country

Men and Masculinities in Irish Cinema D. Ging, 2012-12-03 Spanning a broad trajectory from the New Gaelic Man of post independence Ireland to the slick urban gangsters of contemporary productions this study traces a significant shift from idealistic images of Irish manhood to a much more diverse and gender politically ambiguous range of male identities on the Irish screen

An Introduction to Masculinities Jack S. Kahn, 2009-03-30 In the last thirty years there has been a tremendous growth in the academic inquiry to understand men in their experiences as men This growth is largely due to growing awareness of the problems that people face in trying to understand what it means to be masculine This text introduces students to the research theories and basic issues in the field of Men and Masculinities highlighting debates about the definition origin and the crisis in masculinity The author provides a framework for studying the field of masculinities incorporating feminist social constructionist and interdisciplinary perspectives Written in an accessible style An Introduction to Masculinities provides personal anecdotes and contemporary examples to make the theoretical concepts relevant to students lives The text also introduces students to leading contributors and experts whose work have informed the field The author gives the reader a context and structure by which they can critically understand and evaluate information about men and masculinities An Instructor s Manual is available at www.wiley.com/go/kahn Click here for more discussion and debate on the author s website <http://jackkahn.com> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates

Failing at Fairness David Sadker, Karen R. Zittleman, 2009-04-28 Despite decades of effort to create fair classrooms and schools gender bias is alive and well and in some ways growing School practices continue to send boys and girls down different life paths too often treating them not as different genders but as different species Teachers and parents often miss the subtle signs of sexism in classrooms Through firsthand observations and up to the minute research *Still Failing at Fairness* brings the gender issue into focus The authors provide an in depth account of how girls and boys educations are compromised from elementary school through college and offer practical advice for teachers and parents who want to make a positive difference The authors examine today's pressing issues the lack of enforcement for Title IX the impact of the backlash against gender equity the much hyped boys crisis hardwired brain differences and the recent growth of singlesex public schools This book documents how teaching current testing practices and subtle cultural attitudes continue to short circuit both girls and boys of every race social class and ethnicity Hard hitting and remarkably informative *Still Failing at Fairness* is a fascinating look into America's classrooms National Association of School Psychologists *We Real Cool* Bell

Hooks, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Raising Boys in the 21st Century** Steve Biddulph, 2018-05-01 The most popular book ever about raising boys is back significantly updated to help raise sons in a world that offers gender equality respect and a whole new kind of man but is still haunted by toxic masculinity You'll find cutting edge science about the physical fours the emotional eights and how puberty can be turned into a positive time along with hundreds of other practical tips for raising a son No two boys are alike and you have to get to know our own unique boy The idea that if we understand them we can help them is what has made this book so well loved and trusted in over a million homes As one of Australia's best known psychologists for almost 30 years Steve has introduced a generation of fathers into hands on engagement with kids and helped thousands of mothers gain confidence in their ability to raise sons well He has worked with schools in 17 countries and 130 000 parents have heard his unforgettable live talks Biddulph is electrifying *Telegraph* Biddulph is a spellbinder *60 Minutes* **Equal Partners - Good Friends** Claire Rabin, 2002-09-11 Marriage as an equal partnership is the goal of many couples in the western world today and yet equality is often limited by the ways that power and gender interact in the relationship leading to dissatisfaction and ultimately the break up of the marriage In *Equal Partners Good Friends* Claire Rabin examines the connection between inequality in

marriage and marital distress Drawing on extensive research and personal interviews in the UK USA and Israel she stresses the role of friendship in establishing a truly equal relationship Focusing on issues of gender sex roles and power she provides a new clinical treatment model for therapists working with couples which is much needed in today s climate of change
