This boxset contains books 1-4 in the Savage Sisters series, perfect for fans of Kimberley Chambers and Jessie Keane. Savage Sisters: A Savage Feud, A Savage Betrayal, A Savage Inheritance. Savage Sisters: Having lost their mum too young and with a bedridden father too ill to work, the sisters learnt early to stand on their own two feet. The family's flat in the rough streets of Glasgow's Haghill is their fortress, but when Carly's ex-boyfriend Cole Alexander is released from prison, trouble soon comes knocking at their door. The Alexanders have beef with the Savages, so the girls call for back-up in the shape of their uncle Eddie and his two gorgeous but dangerous sons, Harry and Dean. As a turf war breaks out, the Savage sisters have choices to make: stick to the straight and narrow or fight for what they deserve. A Savage Feud. Firmly ensconced in the criminal underworld, Carly and Jane Savage, along with girl gang the Unbeatable Bitches, their uncle Eddie and their cousins Dean and Harry, are finally making good money running dubious errands for the notorious Tallan brothers, Rod and Neil. Tallan wield almighty power over their patch and their reputation for ruthless revenge on traitors is legendary. The Savage sisters feel invincible until trouble arrives in the form of Jack Alexander. Recently released from notorious hellhole prison, nicknamed

Monster Mansion he's dangerous, ambitious and broodingly handsome. Could he persuade the Tallans that the Alexanders are more useful than the Savages? A Savage Betrayal. Control of Glasgow's infamous Haghill estate has been fought over for decades. But thanks to an uneasy truce between notorious local families, the Alexanders, the Tallans and the ruthless Savages, for now the streets are peaceful. For Carly Savage, this means she can think the unthinkable and contemplate a future with her family's sworn enemy Jack Alexander, ignoring warnings that he can't be trusted. But when crime boss Rod Tallan takes a romantic interest in her too, Carly feels like a pawn in some very dangerous men's game. A Savage Inheritance. When the patriarch of the Savage family dies suddenly, his three daughters, Carly, Jane and Rose, are heartbroken. But you can't keep a Savage sister down for long, and Jane and her gang, The Unbeatable Bitches, along with their uncle Eddie and cousins Dean and Harry, are determined to fight to keep the Savage family on top. But Carly isn't so sure. Perhaps her father's death is the opportunity she's been waiting for to finally get away from the life of crime and violence in Glasgow's Haghill. Exhausted by the constant jockeying for power, she pictures a quiet place where no one knows who she is. She even dares to imagine making that life with the love she can't forget: newly crowned crime boss Jack Alexander.

Beneath the African Sun

Maria Lynch, 2015-12-04. When Sabby Mendes leaves Portuguese Goa aboard the dhow Monsoon Wind bound for British East Africa in 1916, he has one dream: to find work as a tailor in the relatively new capital of Nairobi. Sabby is a young man, still a teenager, but he is determined to build a life for himself, and he knows that the opportunities in the British Protectorate are better than those facing him at home. A bright, affable young man with a genuine passion and talent for tailoring, he is not prepared for what he is about to find beyond the Arabian Sea. The Protectorate, which will become British Colony of Kenya, is a highly segregated society with the British firmly ensconced at its top; below them are the Asians, like Sabby, and at the very bottom are the native African population, who are regarded as little more than savages in need of civilization. Beneath the African Sun offers, through the eyes of its protagonist, a street-level view of the changing social and political climate of Kenya between 1916 and 1970, including the Mau Mau Uprising of the native Kikuyu, the eventual independence of Kenya in 1963, and the political fallout that followed. More than a history, it is a story about family, home, social justice, and what it means to truly belong somewhere.
