**Cove Dweller** Gilbert Byron,1983      **Walden Pond** W. Barksdale Maynard,2004-02-12 Perhaps no other natural setting has as much literary spiritual and environmental significance for Americans as Walden Pond Some 700 000 people visit the pond annually and countless others journey to Walden in their mind to contemplate the man who lived there and what the place means to us today Here is the first history of the Massachusetts pond Thoreau made famous 150 years ago W Barksdale Maynard offers a lively and comprehensive account of Walden Pond from the early nineteenth century to the present From Thoreau s first visit at age 4 in 1821 That woodland vision for a long time made the drapery of my dreams to today s efforts both to conserve the pond and allow public access Maynard captures Walden Pond s history and the role it has played in social cultural literary and environmental movements in America Along the way Maynard details the geography of the pond Thoreau s and Emerson s experiences of Walden over their lifetimes the development of the cult of Thoreau and the growth of the pond as a site of literary and spiritual pilgrimages rock star Don Henley s Walden Woods Project and the much publicized battle to protect the pond from developers in the 1980s and the vitally important ecological symbol Walden Pond has become today Exhaustively researched vividly written and illustrated with historical photographs and the most detailed maps of Thoreau country yet created Walden Pond A History reveals how an ordinary pond has come to be such an extraordinarily inspiring symbol      **Done Crabbin'** Gilbert Byron,2000-10-19 In his nationally acclaimed The Lord s Oysters Gilbert Byron told the story of a young boy growing up on Maryland s Eastern Shore in the early twentieth century Noah Marlin is older now as Byron takes up his tale of Chesapeake watermen and their families in this sequel to his beloved classic In Done Crabbin' Noah s world has begun to change as life on the river becomes less important than life in the town He s shocked to discover his fifth grade teacher the yellow haired Miss Bertie parked in a buggy on a back road with Doc Beller but keeps his discovery secret when he remembers Doc s profession I could imagine myself going to him for a small filling and then he would strap me in his chair it wasn t worth the chance He hears William Jennings Bryan speak beneath the leaking canopy of a Chataqua tent during a raging thunderstorm and remarks in passing that a young man on the tent crew would be killed a year later when his biplane crashed in France In the end they all leave the river Captain Cable trades his illegal 200 pound duck gun for a carpenter s tools Grandpappy abandons his houseboat spending his last days in the Marlin family home Noah s father finds a job in a Baltimore shipyard during the World War I shipbuilding boom and at last brings the family to the city to join him And when Noah himself goes off to prep school he knows that he and his father have left their old lives for good They would never follow the water again They are done crabbin'      **Family Names of the Island of**

comprehends the position of men as being marked by or for failure and who reasserts masculine authority as civil duty towards community This book looks at contemporary experimental short story cycles debut cycles by ethnically minoritized and immigrant writers and cycles unified by setting whether suburban urban or rural Bearers of Risk unsettles popular notions of the inherent outsider status of the short story cycle while also scrutinizing expressions of recuperative masculinity politics through which men assert their right to reclaim the centre
