Rejected Alpha's Secret Mate Lyrianna Vexheart, 2025-07-22 For a hundred years the Shadowmere Pack has hunted witches through the mountains of Umbraeth What started as a fight over territory became something much darker a blood feud that devoured entire families on both sides Kestra Nightwhisper is the last of her kind a Voidweaver witch whose power over shadow and starlight makes her untouchable to even the most fearsome werewolves Raised in the hidden sanctuary of Whisperhollow she has spent her life preparing for the day she must face the wolves who destroyed her family But when the ruthless Alpha King Darian Stormclaw of the Shadowmere Pack finally corners her in the Thornwick ruins something impossible happens Instead of delivering the killing blow he hesitates The ancient mate bond thought to be a myth between natural enemies ignites between them like wildfire Darian has built his reign on strength and the promise to his pack that he would end the witch threat forever But Kestra isn't just any witch She's his fated mate the one person who could either save his soul or destroy everything he's fought to protect As political tensions rise and both their worlds demand they choose sides they must navigate a treacherous path between duty and desire When an ancient evil awakens in the Veilwood Forest threatening to consume both witch and wolf alike Kestra and Darian must decide will they uphold the hatred of their ancestors or will they risk everything to forge a new destiny together
