in Sweden and in particular the career of one prominent politician Paul Peter Waldenstrom 1838 1917 Waldenstrom was a clergyman revival preacher educator author and newspaper editor whose political career began in 1868 with his participation in the Church Assembly of the Church of Sweden His role expanded during his years of service in the Swedish parliament the Riksdag from 1884 1905 This study places Waldenstrom in dialogue with his contemporaries and opponents as a means of identifying how the theological values and priorities of the religious awakening were articulated in the public sphere and contributed to the development of a new political order **Covenant Companion** ,1995 Amicus Dei Philip J. Merit and Moses Andrew M. Elam, Robert C. Van Kooten, Randall A. Bergquist, 2014-07-10 What did writers in the Reformed tradition mean by suggesting that the Covenant of Works with Adam has been republished in the Mosaic Covenant Not all forms of this doctrine of republication are the same Merit and Moses is a critical evaluation of a particular version of the republication doctrine one formulated by Meredith G Kline and espoused in *The Law Is Not of Faith* 2009 At the heart of this discussion is the attribute of God s justice and the Reformed view of merit Has classic Augustinian theology been turned on its head Does or can God make a covenant at Sinai with fallen people by which Israel may merit temporal blessings on the basis of works Have merit and justice been redefined in the service of Kline s works merit paradigm The authors of Merit and Moses examine the positions of John Murray and Norman Shepherd with respect to the reactionary development of the Klinean republication doctrine Klinean teachings are shown to swing wide of the Reformed tradition when held up to the plumb line of the Westminster Standards which embody the Reformed consensus on covenant theology and provide a faithful summary of Scripture

The Ethical Challenge of Auschwitz and Hiroshima Darrell J. Fasching, 1993-07-01 This book addresses the problem of religion ethics and public policy in a global technological civilization It attempts to do what narrative ethicists have said cannot be done to construct a cross cultural ethic of human dignity human rights and human liberation which respects the diversity of narrative traditions It seeks to do this without succumbing to either ethical relativism or ethical absolutism The author confronts directly the dominant narrative of our technological civilization the Janus faced myths of Apocalypse or Utopia Through this myth we view technology ambivalently as both the object of our dread and the source of our hope The myth thus renders us ethically impotent the very strength of our literal utopian euphoria sends us careening toward some literal apocalyptic final solution The demonic narrative that dominated Auschwitz killing in order to heal is part of this Janus faced technological mythos that emerged out of Hiroshima And it is this mythic narrative which underlies and structures much of public policy in our nuclear age This book proposes a coalition of members of holy communities and secular groups organized to prevent any future eruptions of the demonic Its goal is to construct a bridge not only over the abyss between religions East and West but also between religious and secular ethics

Paperbound Books in Print, 1992 **Past Imperatives** Louis E. Newman, 2012-02-01 *Past Imperatives* explores the nature and development of Jewish ethics by analyzing three important sets of issues the relationship between Jewish law and ethics the relationship between Jewish ethics and theology and the problems and prospects for constructing a contemporary Jewish ethic The penetrating and provocative essays are drawn from a number of fields including legal theory literary theory and theory of religion These studies illuminate many previously uninvestigated aspects of Jewish biomedical ethics covenant theology and textual interpretation in Judaism By exploring these issues within the larger context of historical and theoretical work in religious studies *Past Imperatives* moves beyond previous work in Jewish ethics which has largely sought to offer moral guidance from a Jewish perspective This volume boldly confronts the fact that Judaism encompasses many sometimes contradictory ethical perspectives and investigates their theological underpinnings how they have developed and how they differ from other moral and or religious perspectives *A Jubilee for All Time* Gilbert S. Rosenthal, 2014-11-18 In 1965 the Second Vatican Council formally issued a historic document titled *Nostra Aetate* In Our Time It was an attempt to frame the relationship between the Roman Catholic Church and the Jewish people Never before had an ecumenical council attempted such a task The landmark document issued by the Council and proclaimed by Pope Paul VI precipitated a Copernican revolution in Catholic Jewish relations and started a process that has spread to the Protestant and Orthodox worlds as well This volume consisting of essays and reflections by Catholic Protestant Orthodox and Jewish scholars and theologians by pastors and professors from the United States Canada Ireland Great Britain and Israel is an evaluation of what *Nostra Aetate* has accomplished thus far and how Christian Jewish relations must proceed in building bridges of respect understanding and trust between the faith groups *A Jubilee for All Times* serves as a source of discussion learning and dialogue for scholars students and intelligent laypersons who believe that we must create a positive relationship between Judaism and Christianity

Salvation Belongs to Our God Christopher J. H. Wright, 2013-05-14 Christopher Wright uses this verse as a lens through which he surveys the Bible's teaching on salvation Every phrase in the verse resonates with significant themes in the Old and New Testaments all of which combine to show that the Bible tells the story of God's salvation very broadly indeed in relation to the character and purposes of God the death and resurrection of Jesus Christ the redemption of all creation the joy of Christian experience and the responsibility of Christian mission This clear deep and warm hearted exposition enriches our grasp of the Bible's multi faceted teaching about salvation **Psalms and Practice** Stephen Breck Reid, 2001 The essays in this book explore how the notion of practice helps contemporary readers understand Psalms in a new way *Psalms and Practice* looks at three aspects of formation prayer how the psalms shape faith through the process of liturgy and how the psalms shape as preached word
