Cowboy And The Dandy Crossing Over From Romanticism To Rock And Roll

Perry Meisel

Cowboy And The Dandy Crossing Over From Romanticism To Rock And Roll:

The Cowboy and the Dandy Perry Meisel, 2023 *The Cowboy and the Dandy* Perry Meisel, 1999 What is rock and roll and where does it come from In this adventurous new study of music literature and culture Perry Meisel shows how rock and roll joins Romanticism and the blues tradition by focusing on the preoccupation with boundaries that are common to both the boundaries between freedom and irony country and city and cowboy and dandy Meisel traces the emergence of rock and roll out of jazz and Romantic culture alike as he examines in a series of juxtaposed chapters rhythm and blues Emerson and the cowboy urban blues the dandy and psychedelia Willa Cather Miles Davis Virginia Woolf and 1960s rock In the process Meisel shows how the presumable difference between high and mass or pop culture disappears when both turn out to have similar structures He also reveals how canons emerge inevitably within all traditions rather than being imposed upon them from without *Women in Rock, Women in Romanticism* James Rovira, 2022-10-07 Women in Rock Women in Romanticism is the

first book length work to explore the interrelationships between contemporary female musicians and eighteenth and nineteenth century art music and literature by women and men The music and videos of contemporary musicians including Erykah Badu Beyonc The Carters H l ne Cixous Missy Elliot the Indigo Girls Janet Jackson Janis Joplin and Big Brother and the Holding Company Natalie Merchant Joni Mitchell Janelle Mon e Alanis Morissette Siouxsie Sioux Patti Smith St Vincent Annie Clark and Alice Walker are explored through the lenses of pastoral and Afropresentism Gothic female Gothic and the literature of William Blake Beethoven Arthur Schopenhauer Samuel Taylor Coleridge Charlotte Dacre Ralph Waldo Emerson E T A Hoffmann Ann Radcliffe William Shakespeare Mary Shelley her husband Percy Shelley Henry David Thoreau Horace Walpole Jane Williams Mary Wollstonecraft and William Wordsworth to explore how each sheds light on the other and how women have appropriated responded to and been inspired by the work of authors from previous centuries **Western**

American Literature , 1999 *Science Fiction in Classic Rock* Robert McParland, 2017-11-29 As technology advances society retains its mythical roots a tendency evident in rock music and its enduring relationship with myth and science fiction This study explores the mythical and fantastic themes of artists from the late 1960s to the mid 1980s including David Bowie Pink Floyd Jefferson Airplane Blue Oyster Cult Iron Maiden Led Zeppelin and Black Sabbath Drawing on insights from Joseph Campbell J G Frazer Carl Jung and Mircea Eliade the author examines how performers have incorporated mythic archetypes and science fiction imagery into songs that illustrate societal concerns and futuristic fantasies **David Bowie and**

Romanticism James Rovira, 2022-08-22 David Bowie and Romanticism evaluates Bowie s music film drama and personae alongside eighteenth and nineteenth century poets novelists and artists These chapters expand our understanding of both the literature studied as well as Bowie s music exploring the boundaries of reason and imagination and of identity gender and genre This collection uses the conceptual apparatus and historical insights provided by the study of Romanticism to provide insight into identity formation drawing from Romantic theories of self to understand Bowie s oeuvre and periods of his career

The chapters discuss key themes in Bowie's work and analyze what Bowie has to teach us about Romantic art and literature as well. Handbook of British Romanticism Ralf Haekel, 2017-09-11 The Handbook of British Romanticism is a state of the art investigation of Romantic literature and theory a field that probably changed more quickly and more fundamentally than any other traditional era in literary studies Since the early 1980s Romantic studies has widened its scope significantly The canon has been expanded hitherto ignored genres have been investigated and new topics of research explored After these profound changes intensified by the general crisis of literary theory since the turn of the millennium traditional concepts such as subjectivity imagination and the creative genius have lost their status as paradigms defining Romanticism The handbook will feature discussions of key concepts such as history class gender science and the use of media as well as a thorough account of the most central literary genres around the turn of the 19th century The focus of the book however will lie on a discussion of key literary texts in the light of the most recent theoretical developments Thus the Handbook of British Romanticism will provide students with an introduction to Romantic literature in general and literary scholars with a discussion of innovative and groundbreaking theoretical developments *Romanticism Today* Lars Eckstein, 2009

Hunger for the Wild Michael L. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L. Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries The Journal of American History Organization of American historians, 1998 **Jewish Gangsters of Modern Literature** Rachel Rubin, 2000 In the hands of Jewish literary communists themselves engaged in transgressing cultural boundaries the figure of the Jewish gangster provides an occasion to craft a virile Jewish masculinity to consider the role of vernacular in literature to interrogate the place of art within a political economy and to explore the fate of Jewishness in the new worlds of the United States and the Soviet Union **BOOK JACKET** Ray Davies Thomas M. Kitts, 2008-01-23 Ray Davies Not Like Everybody Else is a critical biography of Ray Davies with a focus on his music and his times The book studies Davies work from the Kinks first singles through his 2006 solo album from his rock musicals in the early 1970s to his one man stage show in the 1990s and from his films to his autobiography Based on interviews with his closest associates as well as studies of the recordings themselves this book creates the most thorough picture of Davies work to date Kitts situates Davies work in the context of the British Invasion and the growth of rock in the 60s and 70s and in the larger context of English cultural history For fans of rock music and the music of the Kinks this book is a must have It will finally place this legendary innovator in the pantheon of the great rock artists of the past half century Thomas M. Kitts Professor of English and Chair of the Division of English Speech at St John's University NY is the co editor of *Living on a Thin Line Crossing Aesthetic Borders* with The Kinks the author of *The Theatrical Life of George Henry Boker* articles on American literature and popular culture reviews of books CDs and performances and a play *Gypsies* He is the book review editor of *Popular Music and Society* and the editor of *The Mid*

Atlantic Almanack **The British Pop Dandy** Stan Hawkins, 2017-07-05 Who are pop dandies Why are stars like David Bowie Jarvis Cocker Pete Doherty and Robbie Williams so dandified Taking up a wide range of British pop stars Hawkins seeks to find out why so many have cast themselves in roles that often take style to absurd extremes In this study male pop artists are mapped against a cultural and historical background through a genealogy of personalities such as Oscar Wilde W H Auden Andy Warhol No Coward Derek Jarmen David Beckham and countless others A critical analysis of issues and approaches to musical performance through masculinity becomes the focal point of this fascinating study Ranging from the sixties to beyond the twentieth century The British Pop Dandy considers the construction of the male pop icon through the spectacle of videos live concerts and films Why do we derive pleasure from the performing body and how is entertainment linked to categories of gender and sexuality The author insists that pop performances can be understood through human characteristics that relate to the particulars of dandyism camp and glamour and this he theorizes through the work of Charles Baudelaire One of the political objectives of the dandy is to liberate himself through a denial of the structures that assume fixed identity Not least it is acts of queering in pop music that characterize entire generations of male artists in the UK Setting out to discover what distinguishes the British pop dandy Hawkins considers the role of music and performance in the articulation of hyperbolic display It is argued that the recorded voice is a construction that idealizes self representation and absorbs the listener's attention Particularly camp address in singing practice is taken up in conjunction with a discussion of intimacy which forms part of the strategy of the performer In a range of songs and videos selected for music analysis Hawkins points to the uniqueness of the voice as it expresses a transgressive quality **The Rock Music Imagination** Robert McParland, 2019-08-09 The Rock Music Imagination is an exploration of rock artists in their social and artistic contexts particularly between 1964 and 1980 and of rock music in relation to literature that is creative expression fantastic imagination and contemporary fiction about rock Robert McParland analyzes how rock music touches our imaginative lives by looking at themes that appear in classic rock music freedom and liberation utopia and dystopia community rebellion the outsider the quest for transcendence monstrosity erotic and spiritual love imaginative vision and mystery The Rock Music Imagination explores blues imagination countercultural dreams of utopia rock's critiques of society and images of dystopia rock's inheritance from romanticism science fiction and mythic imagination in progressive rock and rock's global reach and potential to provide hope and humanitarian assistance **Music and History** Stanley C. Pelkey, 2005 This book begins with a simple question Why haven't historians and musicologists been talking to one another Historians frequently look to all aspects of human activity including music in order to better understand the past Musicologists inquire into the social cultural and historical contexts of musical works and musical practices to develop theories about the meanings of compositions and the significance of musical creation Both disciplines examine how people represent their experiences This collection of original essays the first of its kind argues that the conversation between scholars in the two fields can become richer and

more mutually informing The volume features an eloquent personal essay by historian Lawrence W Levine whose work has inspired a whole generation of scholars working on African American music in American history The first six essays address widely different aspects of musical culture and history ranging from women and popular song during the French Revolution to nineteenth century music publishing in Philadelphia Pennsylvania Two additional essays by scholars outside of musicology and history represent a new kind of disciplinary bridging by using the methods of cultural studies to look at cross dressing in nineteenth and early twentieth century opera and blues responses to lynching in the New South The last four essays offer models for collaborative multidisciplinary research with a special emphasis on popular music Jeffrey H Jackson Memphis Tennessee is assistant professor of history at Rhodes College He is the author of *Making Jazz French Music and Modern Life in Interwar Paris* Stanley C Pelkey Portage Michigan is assistant professor of music at Western Michigan University He is a member of the College Music Society and his work has appeared in music related periodicals [Mexican American Mojo](#) Anthony Macías, 2008-11-11 A study of the creation of jazz swing and R B music within the multicultural multiethnic terrain of Los Angeles during and after World War II **The Political Art of Bob Dylan** David Boucher, Gary Browning, 2017-05-15 Bob Dylan is one of the most significant figures in popular culture In this book the authors provide a multi faceted analysis of his political art They address Dylan s career as a whole dealing with such themes as alienation protest non conformity the American Dream modernity and postmodernism and pivotal moments of Dylan s career such as the Judas accusation at the 1966 Manchester Free Trade Hall concert and Dylan s comments on the need to aid American farmers at Live Aid 1985 Dylan s songs are analysed for their political meaning and for the songs in contemporary American political and popular culture As notable specialists in the fields of political theory literary criticism and popular culture the authors examine Dylan s work from a variety of perspectives aesthetic theory Kant Adorno Lyotard Lorca and Collingwood Collectively they question how Dylan s work relates to the theory and practice of politics In this second revised and expanded edition the chapters have been revised and rewritten with a new introduction exploring the enigma of Bob Dylan throughout the whole of his career and with a completely new Bob Dylan Timeline integrating Dylan s life songs and actions into the historical events that shaped his views Two new chapters have been added one focusing on the late Dylan Masked and Anonymous and Love and Theft and another on Dylan at Live Aid and his stance on Farm Aid This book is a must for anyone seriously interested in the legendary Bob Dylan **Notes** Music Library Association, 2001 **John Lennon Imagined** Janne Mäkelä, 2004 Considered one of the most innovative artists in the history of popular music John Lennon is also a fascinating example of the relationship between rock music and celebrity Through investigation of the cultural and historical background of his stardom in England and the United States this book explores why John Lennon became a much debated celebrity and why he remains so Lennon s career from the 1960s until his tragic death in 1980 and even beyond demonstrates how different expectations articulated by the star the music industry the media and the fans form relations which change in terms of time and place Using a

multidisciplinary approach and intriguing case studies this book also examines cultural identity authenticity and gender in popular music stardom **Bob Dylan** Lee Marshall, 2013-04-24 Bob Dylan's contribution to popular music is immeasurable Venerated as rock's one true genius Dylan is considered responsible for introducing a new range of topics and new lyrical complexity into popular music Without Bob Dylan rock critic Dave Marsh once claimed there would be no popular music as we understand it today As such an exalted figure Dylan has been the subject of countless books and intricate scholarship considering various dimensions of both the man and his music This book places new emphasis on Dylan as a rock star Whatever else Dylan is he is a star iconic charismatic legendary enigmatic No one else in popular music has maintained such star status for so long a period of time Showing how theories of stardom can help us understand both Bob Dylan and the history of rock music Lee Marshall provides new insight into how Dylan's songs acquire meaning and affects his relationship with his fans his critics and the recording industry Marshall discusses Dylan's emergence as a star in the folk revival the spokesman for a generation and the formative role that Dylan plays in creating a new type of music rock and a new type of star Bringing the book right up to date he also sheds new light on how Dylan's later career has been shaped by his earlier star image and how Dylan repeatedly tried to throw off the limitations and responsibilities of his stardom The book concludes by considering the revival of Dylan over the past ten years and how Dylan's stardom has developed in a way that contains but is not overshadowed by his achievements in the 1960s
