Alan Lomax, John Avery Lomax

#### **Cowboy Songs And Other Frontier Ballads:**

Cowboy Songs and Other Frontier Ballads John Lomax, 2017-01-03 The importance of Cowboy Songs and Other Frontier Ballads can not be overstated It created an understanding among academics and the public of the need to preserve all forms of early music The John Lomax clan spent their lives doing just that This edition of the book contains the lyrics of the 153 original songs and ballads of which 18 include illustrations rejuvenated of the full musical score Also included and unique to this edition of the book are 20 additional place time and subject relevant iconic illustrations. In addition to the traditional table of contents of the songs and ballads this edition of the book includes a linked listing of the musical scores making them easier to find President Theodore Roosevelt wrote the preface to the book and recognizing the value of preserving early music of all styles created the Folk Song Dept within the Library of Congress He appointed Lomax as its first director Many songs so common today were first printed in this book including Home On the Range and Down In the Valley Without Lomax s efforts these and many many other songs we have come to view as traditional would have been lost This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted in an attempt to remove imperfections introduced by the digitization process If typographic spelling or grammatical errors were present in the original they may have been preserved As few changes as possible have been made to either illustrations or text in order to bring you an e book Cowboy Songs and Other Frontier Ballads ,1938-01-01 More than two hundred that is as close to the original as possible songs some with music whose lyrics depict life in the old West It is now four or five years since my attention was called to the collection of native American ballads from the Southwest already begun by Professor Lomax At that time he seemed hardly to appreciate their full value and importance To my colleague Professor G L Kittredge probably the most eminent authority on folk song in America this value and importance appeared as indubitable as it appeared to me We heartily joined in encouraging the work as a real contribution both to literature and to learning The present volume is the first published result of these efforts The value and importance of the work seems to me double One phase of it is perhaps too highly special ever to be popular Whoever has begun the inexhaustibly fascinating study of popular song and literature of the nameless poetry which vigorously lives through the centuries must be perplexed by the necessarily conjectural opinions concerning its origin and development held by various and disputing scholars When songs were made in times and terms which for centuries have been not living facts but facts of remote history or tradition it is impossible to be sure quite how they begun and by quite what means they sifted through the centuries into the forms at last securely theirs in the final rigidity of print In this collection of American ballads almost if not quite uniquely it is possible to trace the precise manner in which songs and cycles of song obviously analogous to those surviving from older and antique times have come into being The facts which are still available concerning the ballads of our own Southwest are such as should go far to prove or to disprove many of the theories advanced concerning the laws of literature as evinced in the ballads of the old world Such learned matter as this

however is not so surely within my province who have made no technical study of literary origins as is the other consideration which made me feel from my first knowledge of these ballads that they are beyond dispute valuable and important In the ballads of the old world it is not historical or philological considerations which most readers care for It is the wonderful robust vividness of their artless yet supremely true utterance it is the natural vigor of their surgent unsophisticated human rhythm It is the sense derived one can hardly explain how that here is expression straight from the heart of humanity that here is something like the sturdy root from which the finer though not always more lovely flowers of polite literature have sprung At times when we yearn for polite grace ballads may seem rude at times when polite grace seems tedious sophisticated corrupt or mendacious their very rudeness refreshes us with a new sense of brimming life To compare the songs collected by Professor Lomax with the immortalities of olden time is doubtless like comparing the literature of America with that of all Europe together Neither he nor any of us would pretend these verses to be of supreme power and beauty None the less they seem to me and to many who have had a glimpse of them sufficiently powerful and near enough beauty to give us some such wholesome and enduring pleasure as comes from work of this kind proved and acknowledged to be masterly **Cowboy Songs and Other Frontier Ballads** John Avery Lomax, 1927 **Cowboy Songs** and Other Frontier Ballads ,1911 Cowboy Songs, and Other Frontier Ballads CREATESPACE INDEPENDENT PUB, Various, 2017-04-03 Cowboy Songs and Other Frontier Ballads By Various **Cowboy Songs and Other Frontier** Cowboy Songs and Other Frontier Ballads Alan Lomax, John Avery Lomax, 1966 Ballads John Avery Lomax, 1919

Cowboy Songs and Other Frontier Ballads Alan Lomax, John Avery Lomax, 1948 Cowboy Songs and Other Frontier
