Cowboy Heroes:

The Cowboy Hero William W. Savage, 1979 Analyzes the modern myth of the cowboy as it appears in movies advertising the rodeo and fiction and gauges its effect on American thought *Last of the Cowboy Heroes* Robert Nott, 2015-09-15 In the world of Western films Randolph Scott Joel McCrea and Audie Murphy have frequently been overlooked in favor of names like Roy Rogers and John Wayne Yet these three actors played a crucial role in the changing environment of the post World War II Western and in the process made many excellent middle budget films that are still a pleasure to watch This account of these three Western stars careers begins in 1946 when Scott and McCrea committed themselves to the Western roles they would play for nearly twenty years Murphy who also joined them in 1946 would continue his Western career for a few years after his cohorts rode into the film sunset Arranged chronologically and balanced among the three actors the text concludes with Audie Murphy's last Western in 1967 Covering both the personal and professional lives of these three Hollywood cowboys the book provides both their stories and the story of a Hollywood whose attitude toward the Western was in a time of transition and transformation The text is complemented by 60 photographs and a filmography for each of the three

The Creation of the Cowboy Hero Jeremy Agnew, 2014-11-19 As business interests have commercialized the American West and publishers and studios have created compelling imagery the expectations of readers and moviegoers have influenced perceptions of the cowboy as a hero This book describes the evolution of the cowboy hero as a mythic persona created by dime novels television and Hollywood Much of our concept of the cowboy comes to us from movies and the book's main focus is his changing image in cinema The development of the hero image and the fictional West is traced from early novels and films to the present along with shifting audience expectations and economic pressures **Kristi's Cowboy Hero** Barbara McMahon, 2025-09-15 Kristi got a bum deal in Wildcat Creek when the local gossips saddled her with lies about her character She steers clear of the rumor mongers only heading into town when the Royal Flush Ranch runs short on supplies But one thing Kristi can't get in town are ranch workers She's placed ads at the local feed store but it seems the wagging tongues discourage anyone from applying Without an experienced hand or two she'll never turn the failing ranch around Pretty much the moment Brodie gets to Wildcat Creek he has to step in when a couple local yahoos are mistreating a sweet looking young woman He's in town find a job for a ranch hand and when he pulls the card for work at the Royal Flush he's surprised the very woman he'd stepped in for earlier is the one who's hiring When Brodie learns the truth of Kristi's past he works as hard as he can to turn things around for her When disaster lands on her doorstep he's the only thing between her and devastation Will his actions drive them apart Or will the miracle of their love strengthen and heal the bond between them If you like cowboy romances you'll love Kristi's Cowboy Hero Download your copy today *American Cowboy*, 2008-08 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and
