He Was Some Kind of a Man Roderick McGillis, 2009-05-19 *He Was Some Kind of a Man* Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century s most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations *He Was Some Kind of a Man* combines the author s childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and auto biography **Hollywood's America** Steven Mintz, Randy W. Roberts, David Welky, 2016-03-07 Fully revised updated and extended the fifth edition of *Hollywood's America* provides an important compilation of interpretive essays and primary documents that allows students to read films as cultural artifacts within the contexts of actual past events A new edition of this classic textbook which ties movies into the broader narrative of US and film history This fifth edition contains nine new chapters with a greater overall emphasis on recent film history and new primary source documents which are unavailable online Entries range from the first experiments with motion pictures all the way to the present day Well organized within a chronological framework with thematic treatments to provide a valuable
