Cowrie Shell Piece Christy Sheffield Sanford, Dean Bornstein, A. S. C. Rower, 1991 Private Press Books, 1992

The Ostinato and the Furniture Or Stiffen Christy Sheffield Sanford, 2020-06-15 The Ostinato and the Furniture or Stiffen is a mixed genre piece about the resistance to hybrid work especially as seen in Pina Bausch's dance theater but also across genres and disciplines Much of the thematic material is based on Bausch's choreography and Tanztheater Wuppertal performances There are forays into literature art film and psychology that include Sigmund Freud Gaston Bachelard Gertrude Stein William Carlos Williams Louise Bourgeois Stéphane Mallarmé others I always think essays about hybrid or interdisciplinary work should walk the walk be hybrid I've created a work that is itself primarily a fusion of poetry and essay The piece is the culmination of a longtime involvement with mixed genre work The Ostinato addresses resistance to hybrid impulses across the arts My attraction to Tanztheater Wuppertal was a mystery Why did dance theater thrill me and so non plus New York critics Having worked with images and text for decades I'm now fascinated with how images when added to a page rearrange words and assume a bigger role in how the two interact and appear Inserting a curved line is like constructing a highway through the page Meaning and sensibility change Bubbles inserted suddenly create a constellation of words a new map Interrupting linear flow and expected presentation creates new associations and multiple readings The piece has three introductions Recurrent motifs include rain spiders chairs and emotions There are conceptual headings formal devices that repeat such as Pina Probes Captures and Postscripts There's quite a focus on photography and dance how motion is conveyed in imagery My introduction to Pina Bausch was through images not performances Stein wanted to create a play like a landscape that could be comprehended at once To present the Ostinato as a dancy mosaic to be grasped all at once would be ideal The Interior Life of a Skirt Christy Sheffield Sanford, 2020-04-09 The Interior Life of a Skirt is part of a project called The Hem nal The larger endeavor is a collaboration with Charlotte M Porter and involves independently created work on the same theme Products include videos images and text The skirt zigzags along a border between dream and reality Fleeting memories and thoughts on power inspired many scenes The poem's structure floats on a twenty four hour horologic scheme Round this clock as if rounding the block Although theatrical the Interior Life is meant to be read in the manner of India Song a script by Marguerite Duras Her work slows time with formal devices Directions for pauses and silences give words the chance to breathe Paginal space can perform a similar function Unfold this piece horizontally enter at any point Instead of a vertical arboreal concept think of a flowing aquifer with labyrinthine connections that erupt into springs The border between skirt life and skirting life is soluble **Baroque and Rococo** Germain Bazin, 1977 Baroque and Rococo, **Baroque and Rococo**, 1990 **Baroque and Rococo Silks** Peter Thornton, 1963
